Lives of great men all remind us
We can make our lives sublime,
And, departing, leave behind us
Footprints on the sands of time;

Footprints, that perhaps another,
Sailing o'er life's solemn main,
A forlorn and shipwrecked brother,
Seeing, shall take heart again.

Let us, then, be up and doing,
With a heart for any fate;
Still achieving, still pursuing,
Learn to labor and to wait.

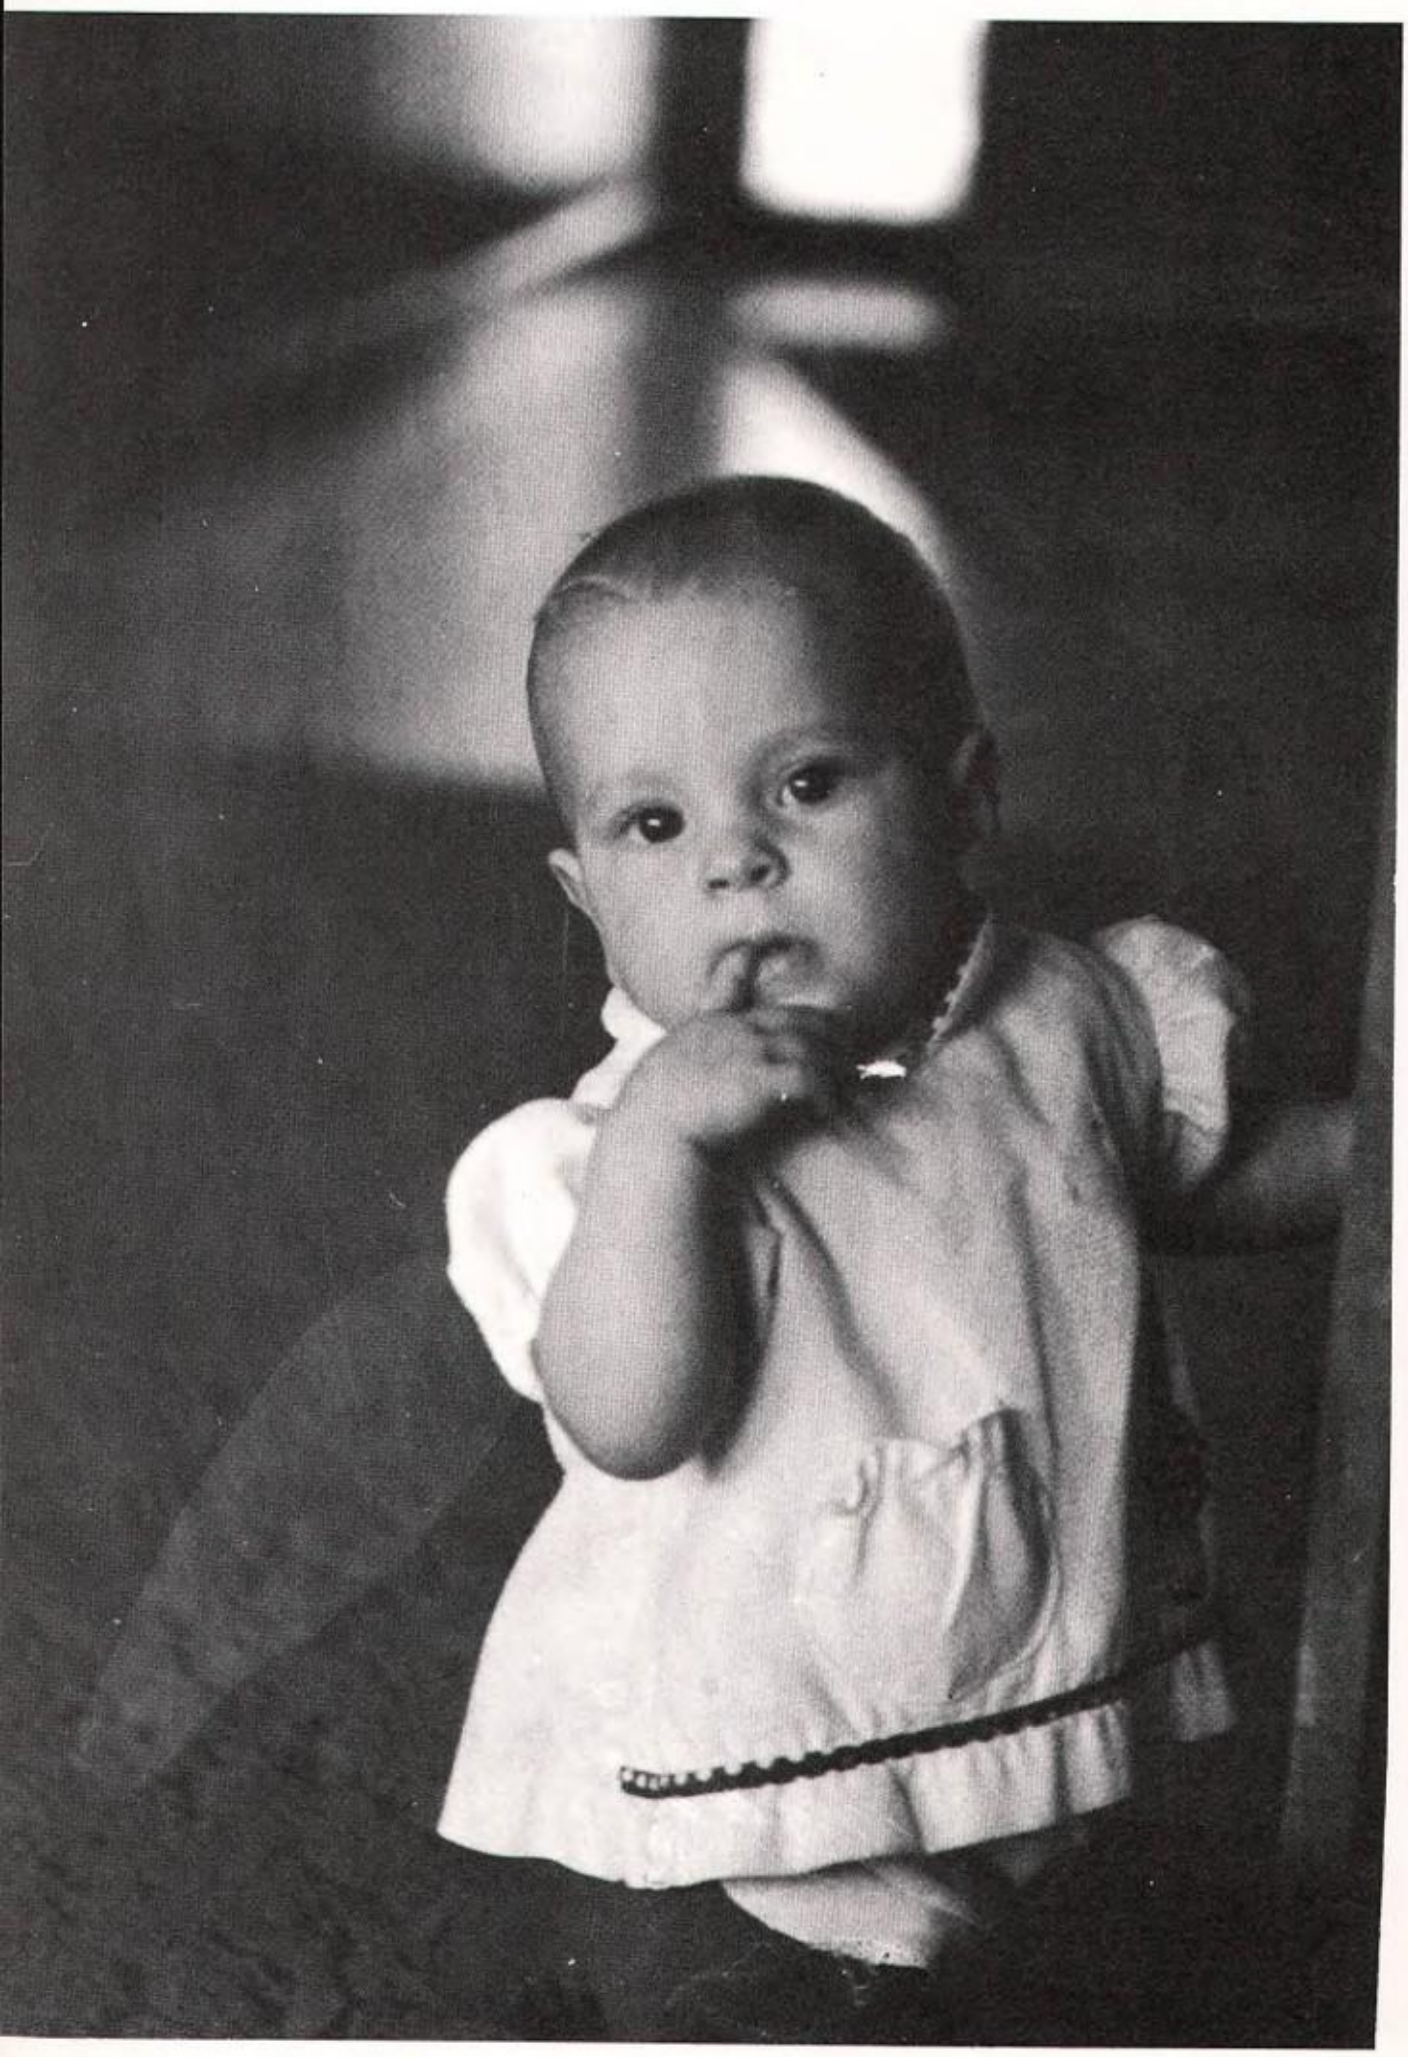
Take A Step



Discover Yourself

Dear Sam,
Well, can you believe we've been working together for nearly a year? I must say, getting to know you has been one of the best parts of this job. ~~[illegible]~~ From Your Beginning . . You've really been a kick to work with, I don't know how I would have gotten through some of these boring days without having you to joke around with. I'm sure John hated it sometimes, but I've sure had a good time. You're quite a girl, stay that way! Best wishes and good luck always,

Love,
Andrea

PRINCIPAL '77

Mrs. Belcher is very impressed with the students and proud of the way they have begun assuming more and more responsibility.

As she stated, "When I first came to T.J., it was more of a day-to-day type planning but now our long-range plans have begun to jell. I hope to innovate and improve the curriculum, and to get the teachers to do something more original."

"I believe the kids have a fantastic school spirit and hope it continues to grow. We've come a long way and we have a lot further to go."

ADMINISTRATORS

The administrators were the overseers of the total project--T.J. '76-'77. They kept the school running smoothly between faculty and students, always putting first their combined purpose with progressive education.

SOCIAL STUDIES

In the social studies department at T.J. the students learned skills that enabled them to see both sides of an argument, to separate fact from fiction. Mr. Diedrich put it this way, "History is philosophy through examples." The students learned of the heritage they had to be proud of as Americans. The history classes gave them a reference point for the future. These skills were something that could be used from the moment they were learned.

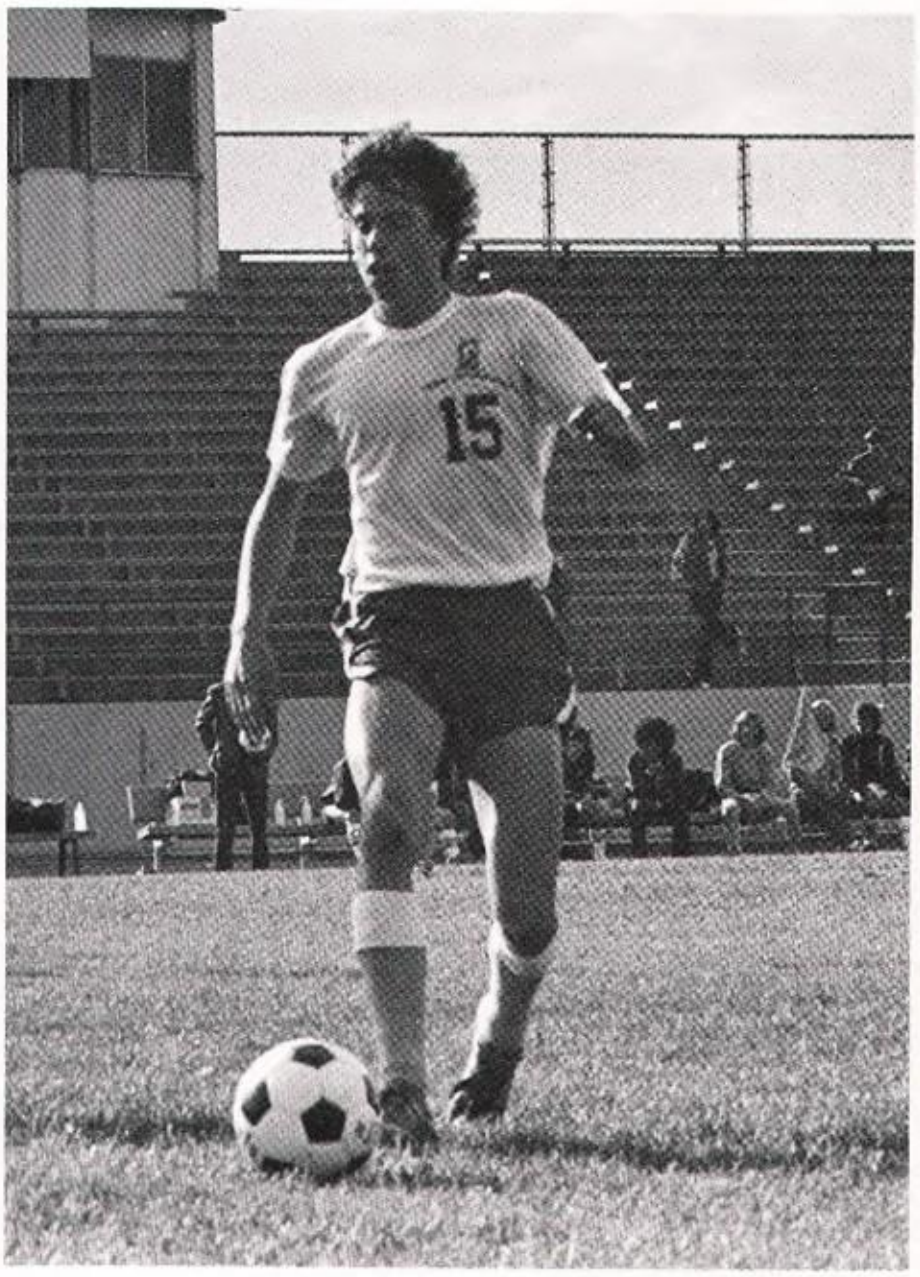
SOCCER

Perry Leyden showing his ability to handle the ball.

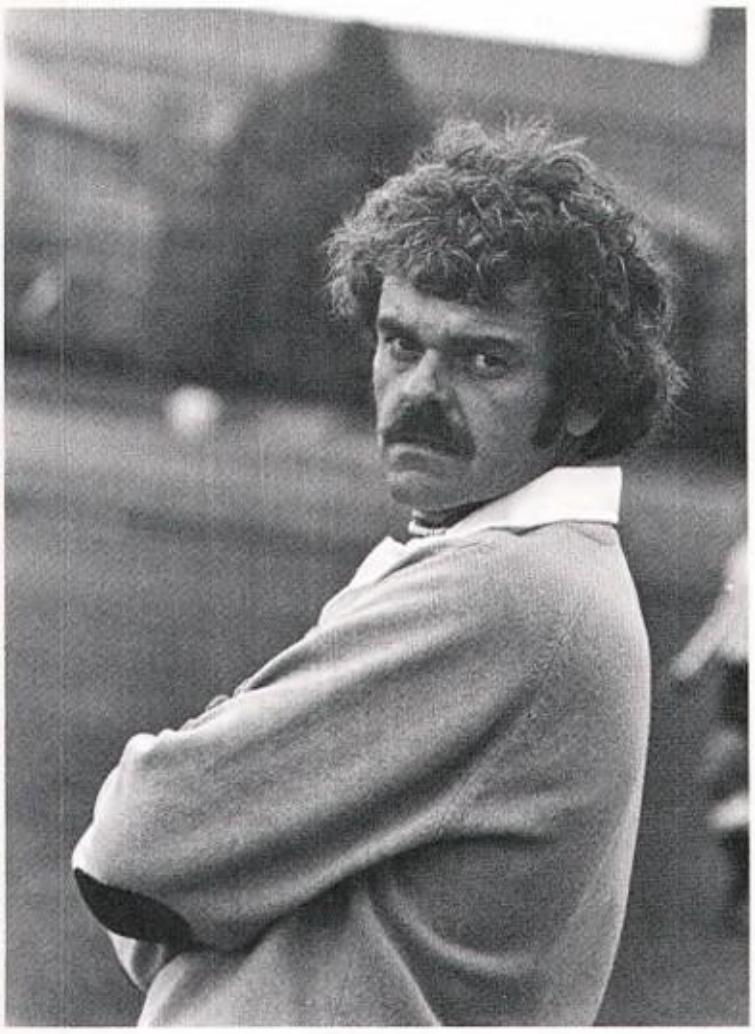
Jay Freed is congratulated by his T.J. teammates after scoring another goal.

The soccer team at Thomas Jefferson was highly successful once again this year. Although they started out the season without the luxury of soccer balls, a carwash to raise money eliminated that problem and showed the spirit the team was going to have for the rest of the year. The team once again won the City Championship, but lost in the state tournament.



John Baker approaches the ball during a game with South.

Kevin Kurz prevents a West score.



Coach Westman

As with any successful organization, it was a team effort, although Coach Westman's team had its share of standouts, Jay Freed and John Baker to name just two. Jay Freed was one of the top scorers in the City, with many of those assists coming off of the foot of John Baker.

This year's Golf team was the most successful out of all the fall sports. They captured both the City and State titles. They are to be proud of the way that they represented T.J. this year.

CROSS COUNTRY

The Cross Country season ended this year with a far more successful season than was anticipated at the beginning. With the leadership of Kenny Lehrer, this group developed rapidly and finished second in the City, and also second in the District meet.

Tony Lindsay runs toward open field against Kennedy.

This was an up-and-down year for the Spartan football team, fortunately more up than down. Under Head Coach Herman Motz for the first year, the team started league play strongly, but a close loss to George Washington late in the year eliminated their hopes for the League Championship. They continued to play well, though, and the next week they handily defeated the eventual League Champs, North High. Special recognition should go to Tony Lindsay, the League leading ground gainer.

The Girl's Swim Team proved to be an excellent team this year at Thomas Jefferson.

The season ended with five wins and three losses, but with this record, they were stiff competition to the other teams from around the city.

The coaching of Cynthia Walters enabled six girls to go to state, and for the team to place third in league standings.

The team itself did well in representing Thomas Jefferson.

VOLLEYBALL

The Girl's Volleyball Team in its second year at Thomas Jefferson was again a great success as a team.

Under the coaching of Pat Johnson, the Varsity team placed fourth, and the Jr. Varsity team placed third in league standings.

This year's Thomas Jefferson Varsity Basketball team has one of the best records in the school's history. Coaches Ken Hughes and Len Ashford fielded a strong team with a short but quick line up.

In the District playoffs Manual had to forfeit due to player ineligibility. This gave TJ a chance to play Kennedy and become second-seeded in the Class AAA state tournament. TJ went all the way to consolation championship where they played Mullen High, finishing sixth in the state.

GIRLS' BASKETBALL

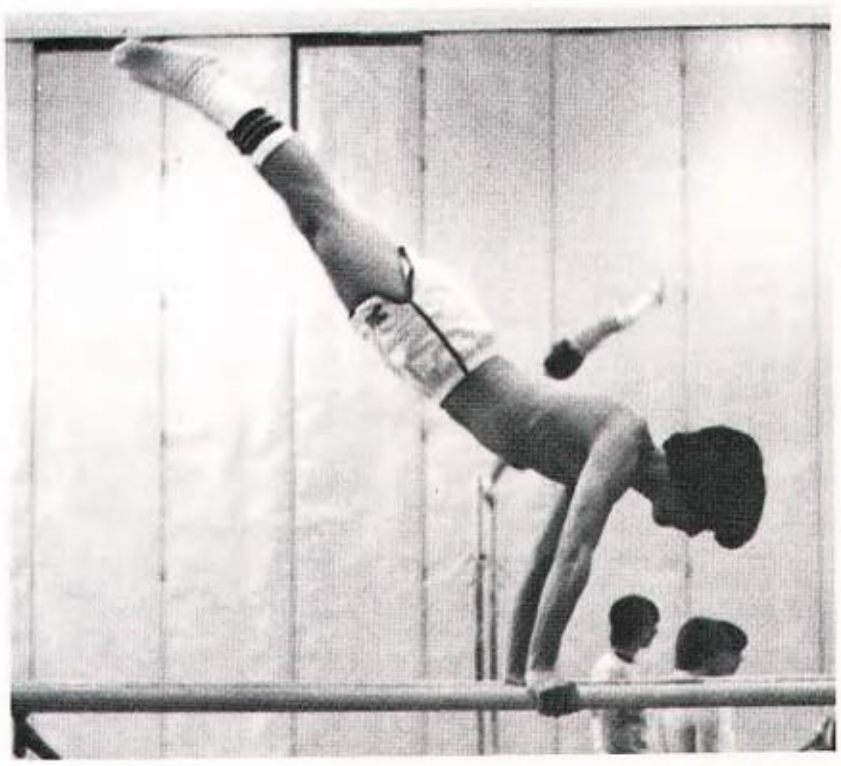
Todd Richie performs on the still rings.



The Boys Gymnastic unit at Thomas Jefferson is anticipating a successful year under Coach Gerald Smith, although they will have a young team. The team lost several seniors last year, but Coach Smith believes the team will steadily improve with more and more experience. Mike Simon is the only returning letterman from last year's squad, and Coach Smith will be looking toward Mike to provide team leadership.

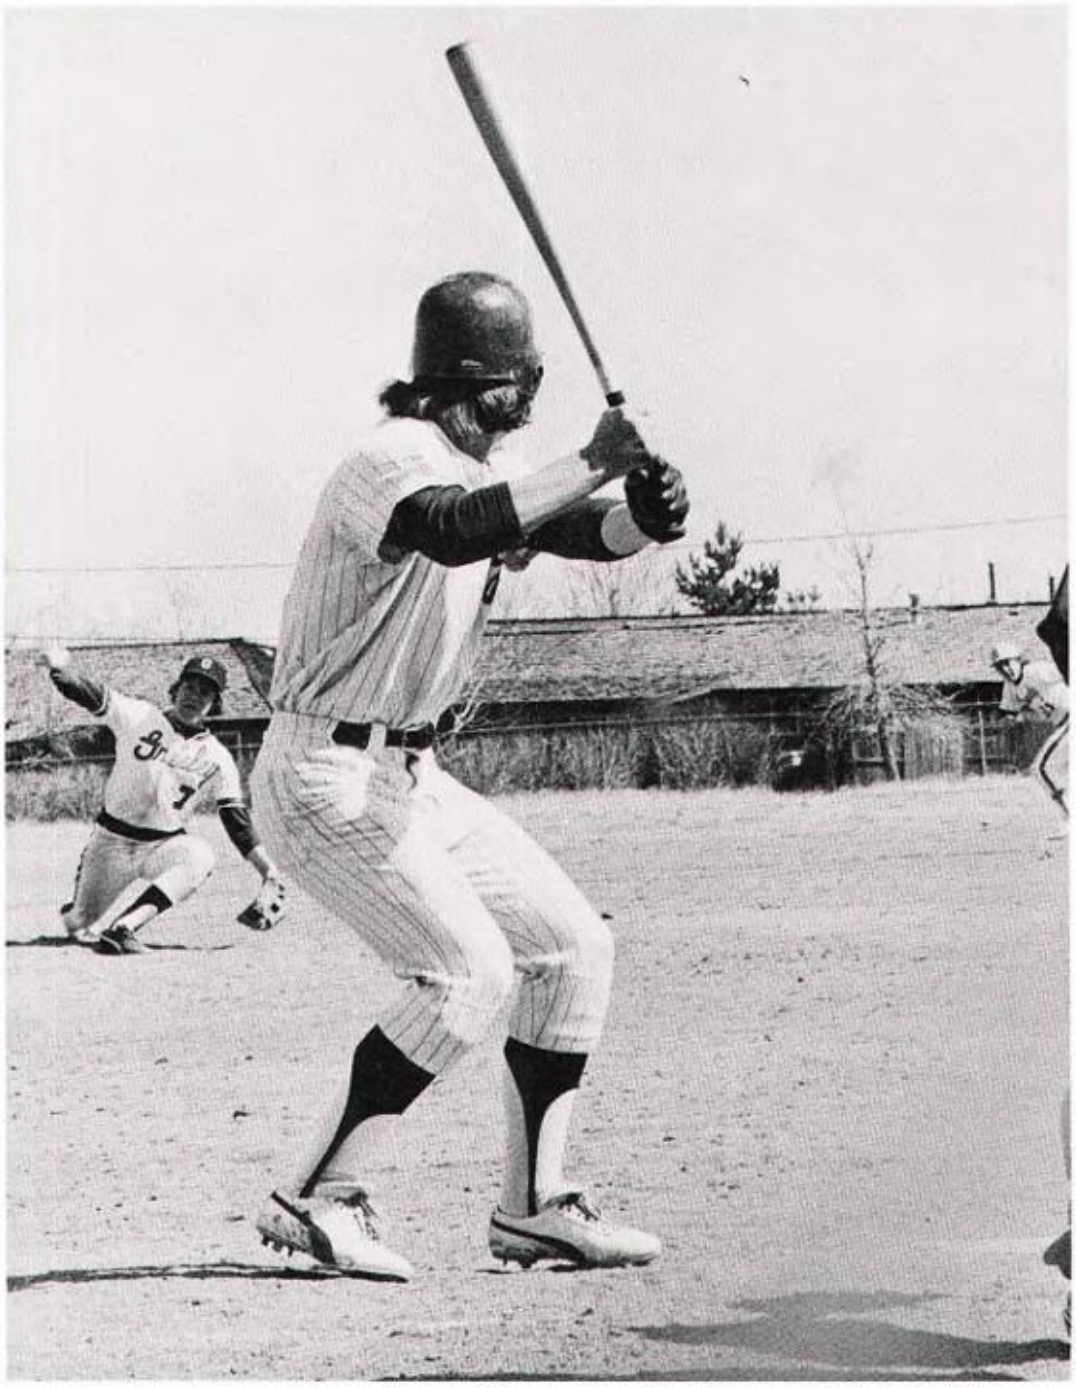
Coach Steven Stretz



J.V. Baseball Coach Steve Stretz had an enviable predicament this season--there were an abundance of talent and many players from which to choose. Coach Stretz built the fundamentals of the players because they were inevitably the players who will represent Thomas Jefferson's Varsity Team next season.

A lot of hard work and many long hours went into the making of the '76-'77 Aristocrat. It is a yearbook of which we, as a staff, are proud, and we owe our success to our three faithful and untiring sponsors, Mr. Mason, Mr. Justice, and Mr. Gilmore. The talents of these three men make the Aristocrat what it is, and we'd like to say THANK-YOU!

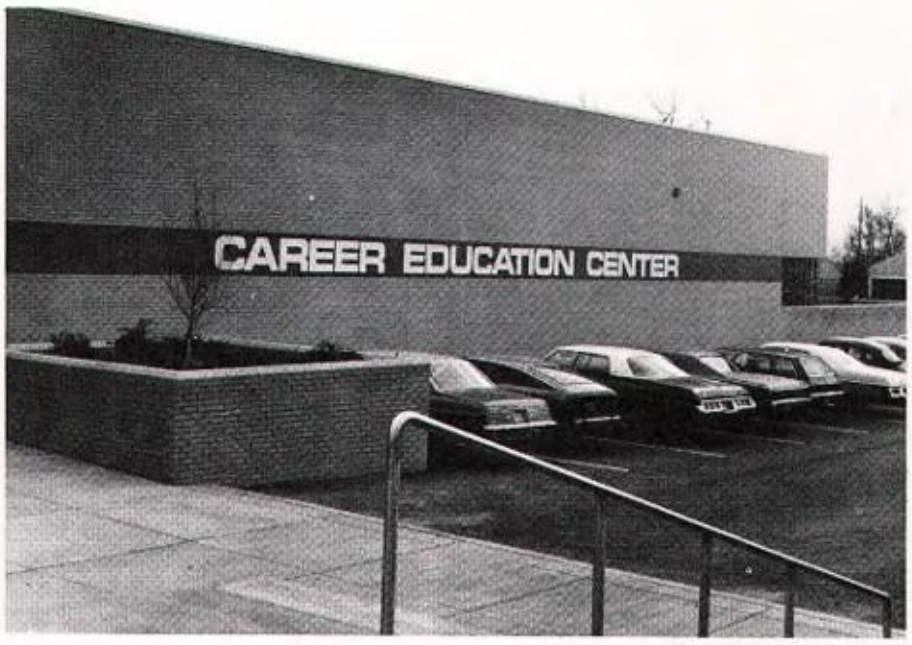
BACK HOME AGAIN . . .

A Special Kind of Learning . . .



This is the first year of the DPS Career Education Center and the project seems to be a big success. The CEC offers classes in occupational skills and in the performing arts. There are also professional seminars and advanced academic courses which are offered at the center. Twelve thousand students from nine public and eleven private schools attend, and most students find the courses taught at the center a very valuable addition to the normal school offerings.

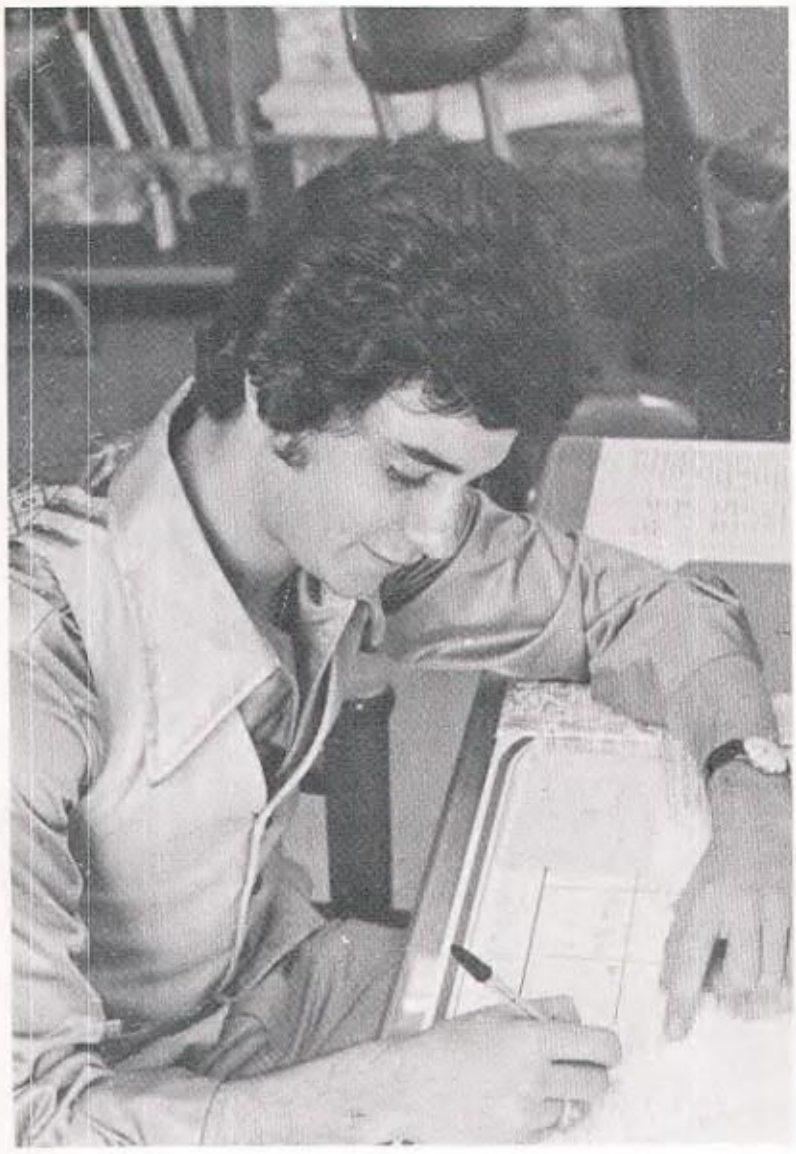
The Photo Staff is group of students who rarely get the credit they deserve. The Photo Staff is made up of Photography II students, who are willing to donate their spare time to take Yearbook and Newspaper pictures. The Photo Staff takes the pictures, develops the film and prints the pictures. The Yearbook Staff would like to thank the Photo Staff for all of their help. Without them we wouldn't have been able to have such a great yearbook.!!!!!!!!!!

Today's Students — Tomorrow's Leaders



One of the alternatives to the ordinary school curriculum at T.J. the Internship program. Through this program, students are iven behind-the-scenes opportunities in working professions. The udents are allowed to take off one semester and work on intern- ip in a field that interests them. This year's students were spon- red by everything from the State Historic Society to a Real Estate irm. The program has received lots of enthusiasm and seems to e a big success.

Thomas Jefferson students combined with "film nuts" from Lincoln High School to go on the second annual educational excursion to "fantasy land"--Hollywood--during Spring break April 1 through 6. Among sites visited included UCLA Film Department where a screening of a not-released motion picture was seen, a talk from Frank Welker, former Thomas Jefferson student and ARISTOCRAT staff member, who has appeared in Disney films, Dinah Shore Show, Mike Douglas and Merv Griffin Shows, and is currently a "voice" for Hanna-Barbera Studios. Burbank Studios, Disneyland, Universal Studios, Grauman's Theater and a tour of Beverly Hills were part of the trip.

The group also saw the musical, "Chorus Line," and returned to Denver via San Diego.

TJ students making the trip included Carol Sperlak, Kathy Stimac, Bud Bishop, Lisa McPherson, Tracy Fanning, Leslie Fukahara, Michelle Duncan, Sharon Hill, Lisa Stuart, Carl Scales, Stanley Fay, Lori Siegel, Laurie Way, Lisa Storey and Kenlynn Dodson.

At noon on October 25th, the Transcontinental Express left Geneva Station with almost one thousand people on board. Their destination: Basel, Paris, Brussels, Amsterdam, Copenhagen and Stockholm.

SUCCESS IS . . .

To laugh often and much; to win the respect of intelligent people and the affection of children; to earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate beauty, to find the best in others; to leave the world a bit better, whether by a healthy child, a garden patch, or a redeemed social condition; to know even one life has breathed easier because you lived.

This is to have succeeded.

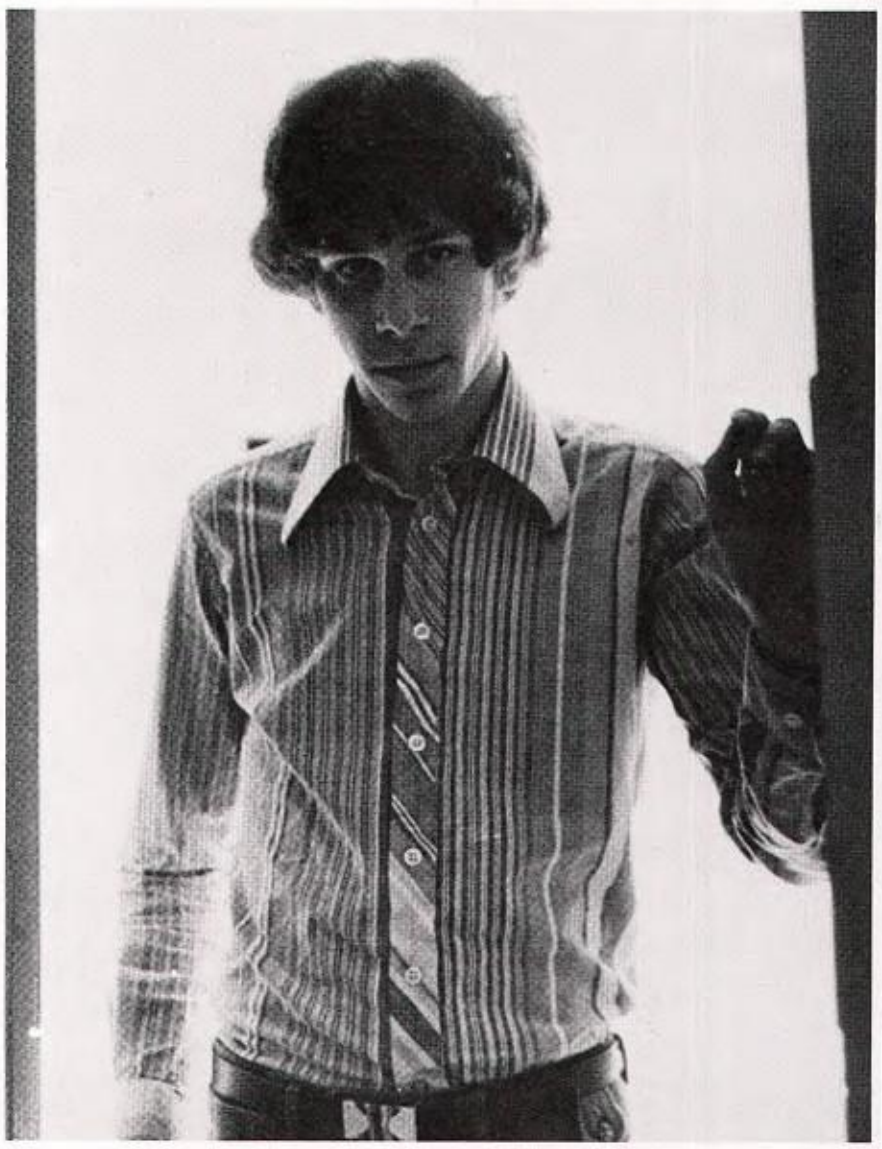
. . . Ralph Waldo Emerson

LASTING IMPRESSIONS

The Thomas Jefferson ARISTOCRAT has a new, special section this year--a section to pay tribute to some of the seniors at Thomas Jefferson who are more than good athletes, good students, or good people. Ideally they should be a combination of the three, with being a good person carrying the most weight. These are the students who set good examples for the students in the years to come by being a good person in every way. The members of the faculty were asked to vote for these students whom they admire the most as people; the ones who in the opinion of the faculty come the closest to the ideal students and people. May we introduce them . . .

Sara Johnson

Sara Johnson has the distinction of ranking number one in Thomas Jefferson's senior class this year, which would be more than enough distinction for most people, but she is also a swimmer of note. Sara's forte is the breaststroke where she placed third in the state as a junior. Sara treasures the outdoors. She likes to go rock climbing, fishing, and backpacking in the Rocky Mountains. The teachers associated with Sara report she has tremendous motivation and is outstanding in science. According to her teachers she has the capability to become a scientist of renown. Sara also enjoys competitive speech, where she is a superb speaker. Sara is also a member of the National Honor Society.



Ken Abosch

Ken Abosch is Editor-in-Chief of the Thomas Jefferson JOURNAL Newspaper. Ken is also a member of the speech team, his forte being oratory. In addition to that, he enjoys athletics, Ken is a track and cross country letterman. When he leaves the confines of school, his hobbies incorporate antique collecting and an interest in music. The members of the faculty associated with Ken like him not only because he is an excellent student, but also because he is friendly and courteous, always willing to be helpful in anyway possible.

Roxanne Fie

Roxanne Fie is unrivaled in the areas of competitive speech and leadership. Roxanne is Editor-in-Chief of the Thomas Jefferson yearbook, and according to her teachers, she also possesses great potential to become a national leader. One of her qualities which makes her so successful at every endeavor she pursues is that she sets high personal standards, not allowing herself to give anything less than her absolute best. Roxanne's major interests besides speech are in the areas of business accounting and corporate law. She was selected by the faculty for Outstanding Junior Girl last year. Roxanne is also a member of the National Honor Society.

Sam,
It has been a pleasure for all these years. Keep growing you have a great sense of humor and love for life. Best of luck always.

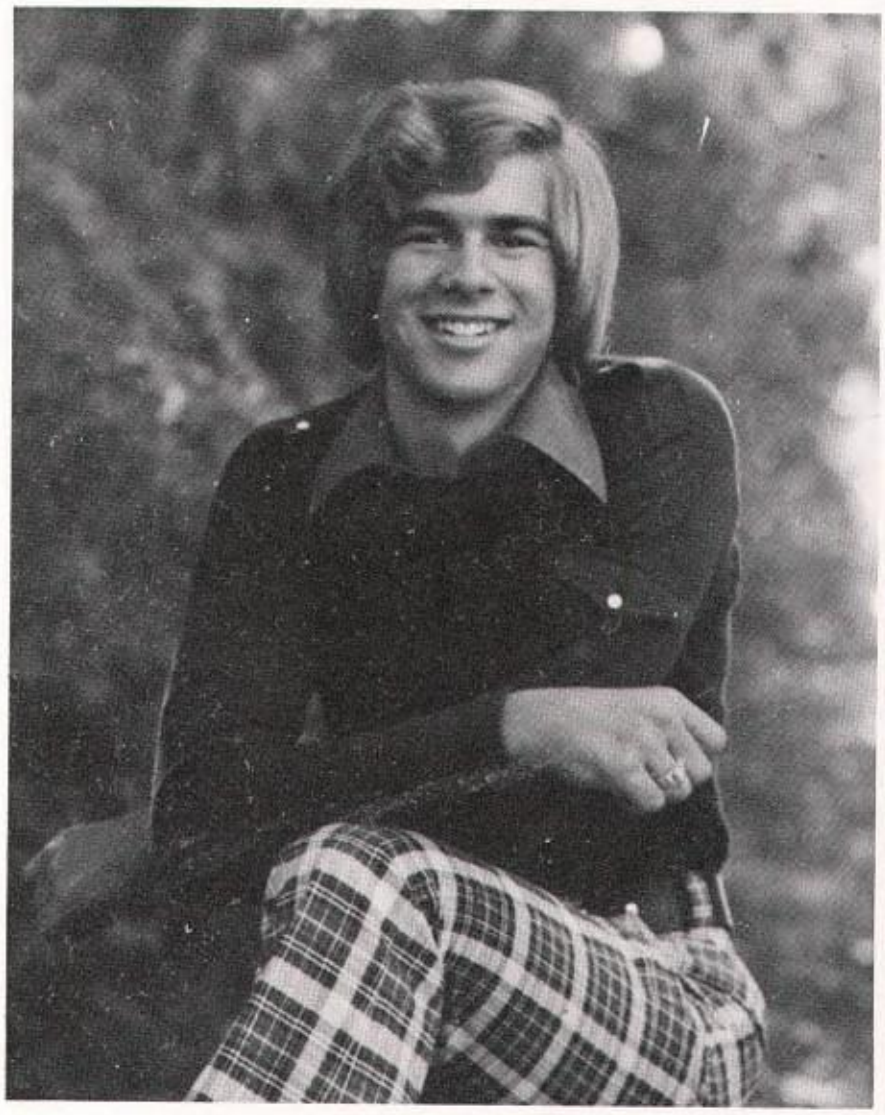
Gary Reiff

Gary Reiff

Gary Reiff has taken part in many of the activities offered to the students at Thomas Jefferson and he has done well. On top of ranking number two in the Senior Class this year, Gary has participated on the Varsity Wrestling team, the newspaper staff, and the Student Council. Gary enjoys all of these activities but his true flair is in the areas of the debate and competitive speech teams. Gary went to the National competition in extemporaneous speech and is also superb in oratory and debate. Gary is considering college in either one of the New England states or Stanford.

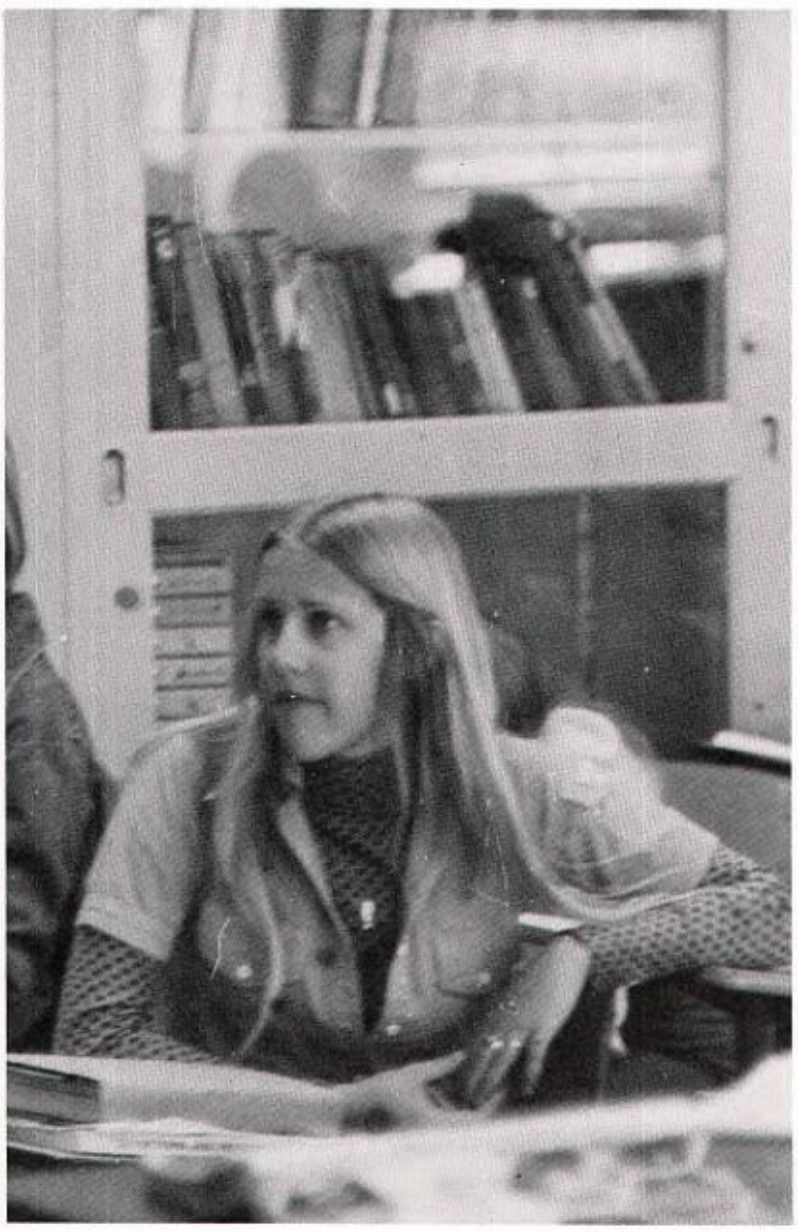
Soni Fink

What makes the faculty at Thomas Jefferson partial to Soni Fink is not necessarily her brilliance in the classroom or on the athletic field, although she is a very good student, it is because she has what everyone in the world can appreciate, kindness. Soni gives the impression of someone who really likes people, and people like her, too. Her teachers say she makes teaching easier because she remains attentive throughout the class and carries out her assignments well. Following graduation from Thomas Jefferson, Soni will be attending Drake University in Iowa.



Steve Zelinger

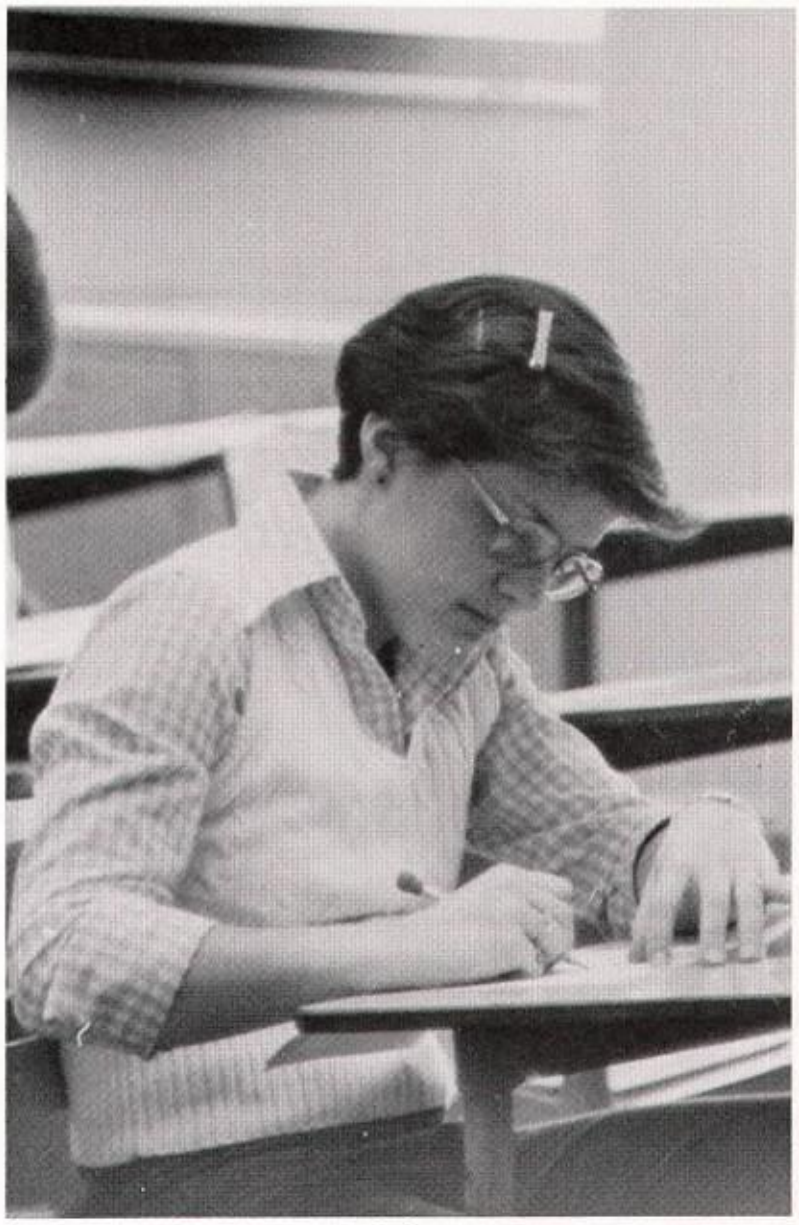
Steve Zelinger has held many posts on the Student Council but his true strength is his mastery on the speech team where he has won numerous awards. His strong points in speech are extemporaneous speaking, oratory, and debate. For recreation Steve enjoys swimming. In fact, he belongs to the Thomas Jefferson swim team and has lettered all three years. As a junior he was Junior Class president. Steve ranks in the top one-percent of the Senior Class and is considering attending college in the New England states.



Wendy Cozens

Wendy Cozen's favorite diversions outside the classroom border along the areas of sports and the performing arts. She is a member of both the Track and Cross Country teams at Thomas Jefferson, and she is a first class skier as evidenced by her membership in the Junior Ski Patrol. Wendy takes pleasure in performing ballet as well. She is also a member of the National Honor Society. Wendy enjoys giving assistance to anybody whenever possible so her choice of stepping into the field of nursing seems quite fitting.

Dear -
You are like champagne, bubbling with life! Thanks you for sharing me with your friendships and your smiles!
All the Best -
Love ya -
Steve



Debbie Shrednik

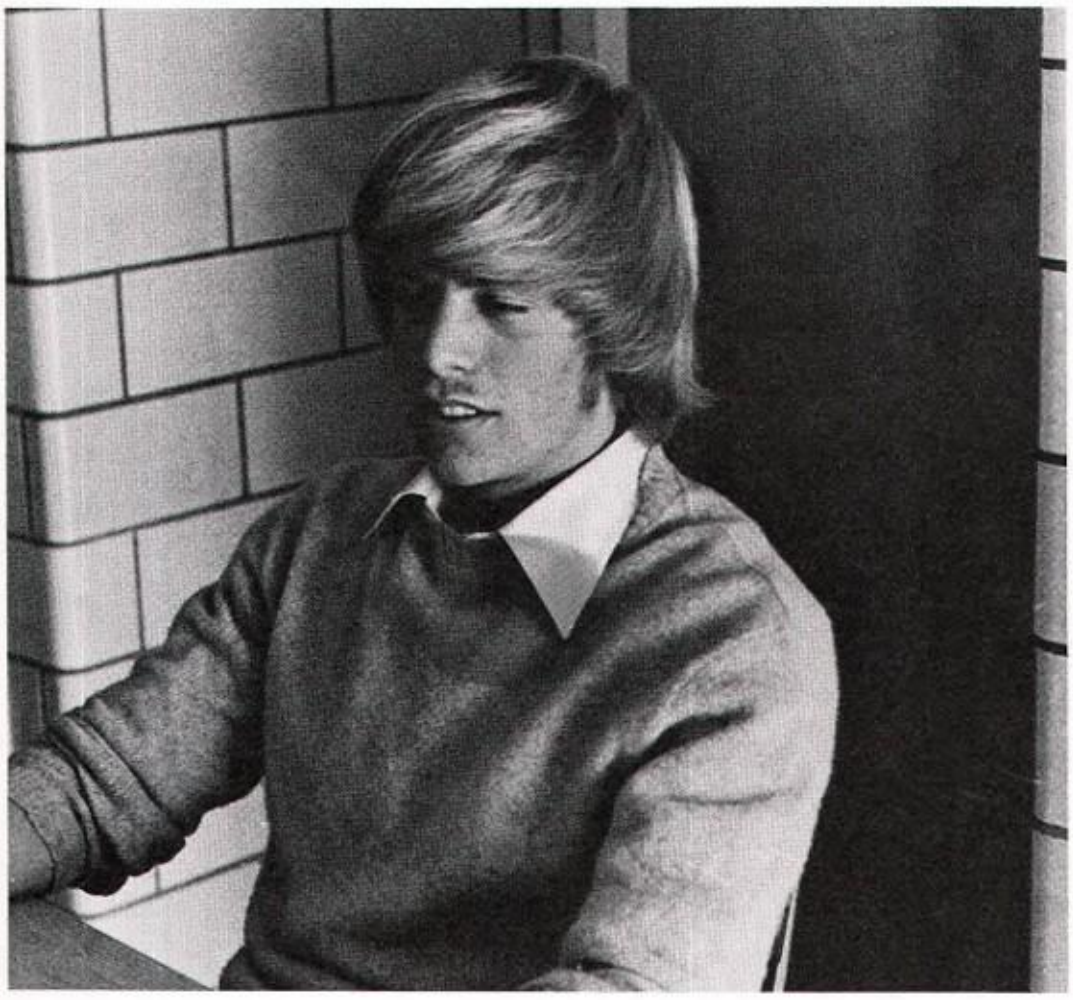
Debbie Shrednik has two major interests at Thomas Jefferson, the Girls' Gymnastic team and the Drama Club. Debbie has participated on the Gymnastics team her last two years at T.J. She succeeds at gymnastics because she is comparatively small and exceptionally agile. One of Debbie's other interests at school is the Drama Club, where she is the Drama Club vice president. In addition to this Debbie has been described by her teachers as a very talented writer. In fact, she was Colorado's finalist in the National Council Teachers of English competition which almost guarantees admittance to any college in the nation. Debbie is also fond of playing the piano. Besides all this, Debbie is a member of the National Honor Society and ranks in the top two-percent of the senior class.

Lisa Garrett

Besides being an exceptional student, Lisa Garrett also has talent in the areas of the performing arts, namely acting, dancing, and singing. If you looked, you could have seen her on stage many times because Lisa has appeared in several school shows, in the capacity of either a singer in McGregor's Beggars, in a dance show, or in a play. Lisa enjoys both modern dance and ballet. Lisa's instructors and teachers appreciate her because she is always cooperative and willing to do whatever they may ask of her. Lisa ranks in the top five percent of this year's senior class as well as being a member of the National Honor Society.

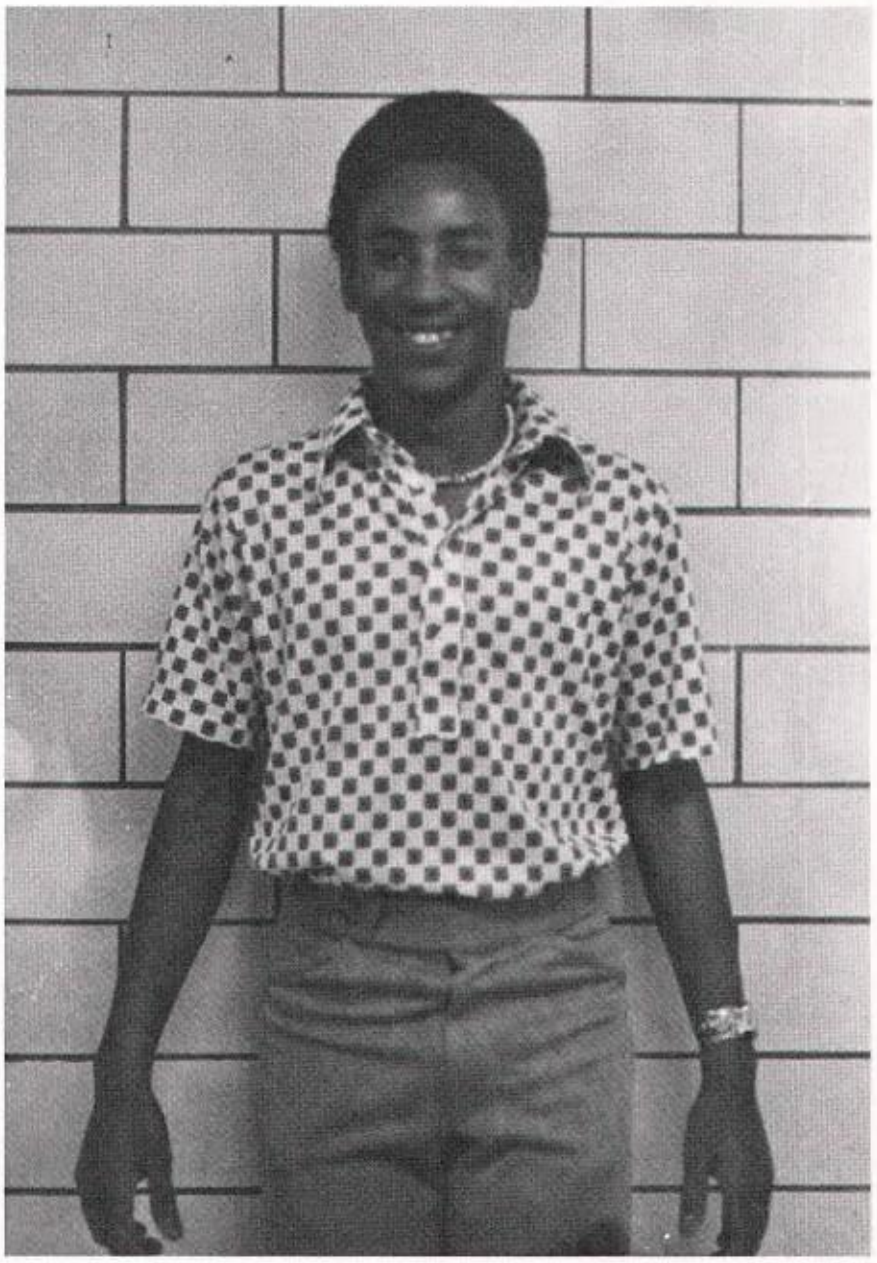
Wendy Dinner

The opinion of the Thomas Jefferson faculty toward Wendy Dinner is quite high as this is not the first honor dealt to her by the faculty. She was also selected to the School Curriculum Committee by the faculty, chosen by the English Department to receive Brown University's "Outstanding English Student Award," and a member of the faculty was quoted as saying "Wendy is a prime mover affecting the smooth functioning of our school." In addition to being liked by the faculty, she is also popular with her classmates, and was elected to the Student Council. Wendy is also the Activities editor of the T.J. yearbook, the ARISTOCRAT. Following high school Wendy is considering college somewhere in the New England states. Wendy, too, is a member of the National Honor Society.



Phillip Byrne

As a junior, Phillip Byrne was selected by the Thomas Jefferson faculty as the Outstanding Junior Boy. He has carried his favorable relationship with the faculty into his senior year, as shown by this honor. The hobbies most appealing to Phillip are bowling and golf. He holds first place on the Bowling Club and is an accomplished golfer. Phillip's teachers feel his ability to do well in different subjects and fields of study make him pleasureable to teach. This year Phillip was a candidate for King Eros at the dance. Phillip is a good student who ranks in the top ten-percent of the Senior Class.



Darrell Knight

Darrell Knight has many good qualities, ranging from sports to academics. He is one of the top golfers in the state and an important member of the State Champion golf team at Thomas Jefferson. In addition to golf Darrell likes playing baseball and swimming. Darrell's assets in the classroom are his enthusiasm and spirit. He is also well disciplined and cooperative, with a relaxed sense of humor which his teachers enjoy. Another thing appreciated by his teachers is that Darrell always works to the best of his ability. Darrell enjoys musical instruments as well, his favorite being the flute.

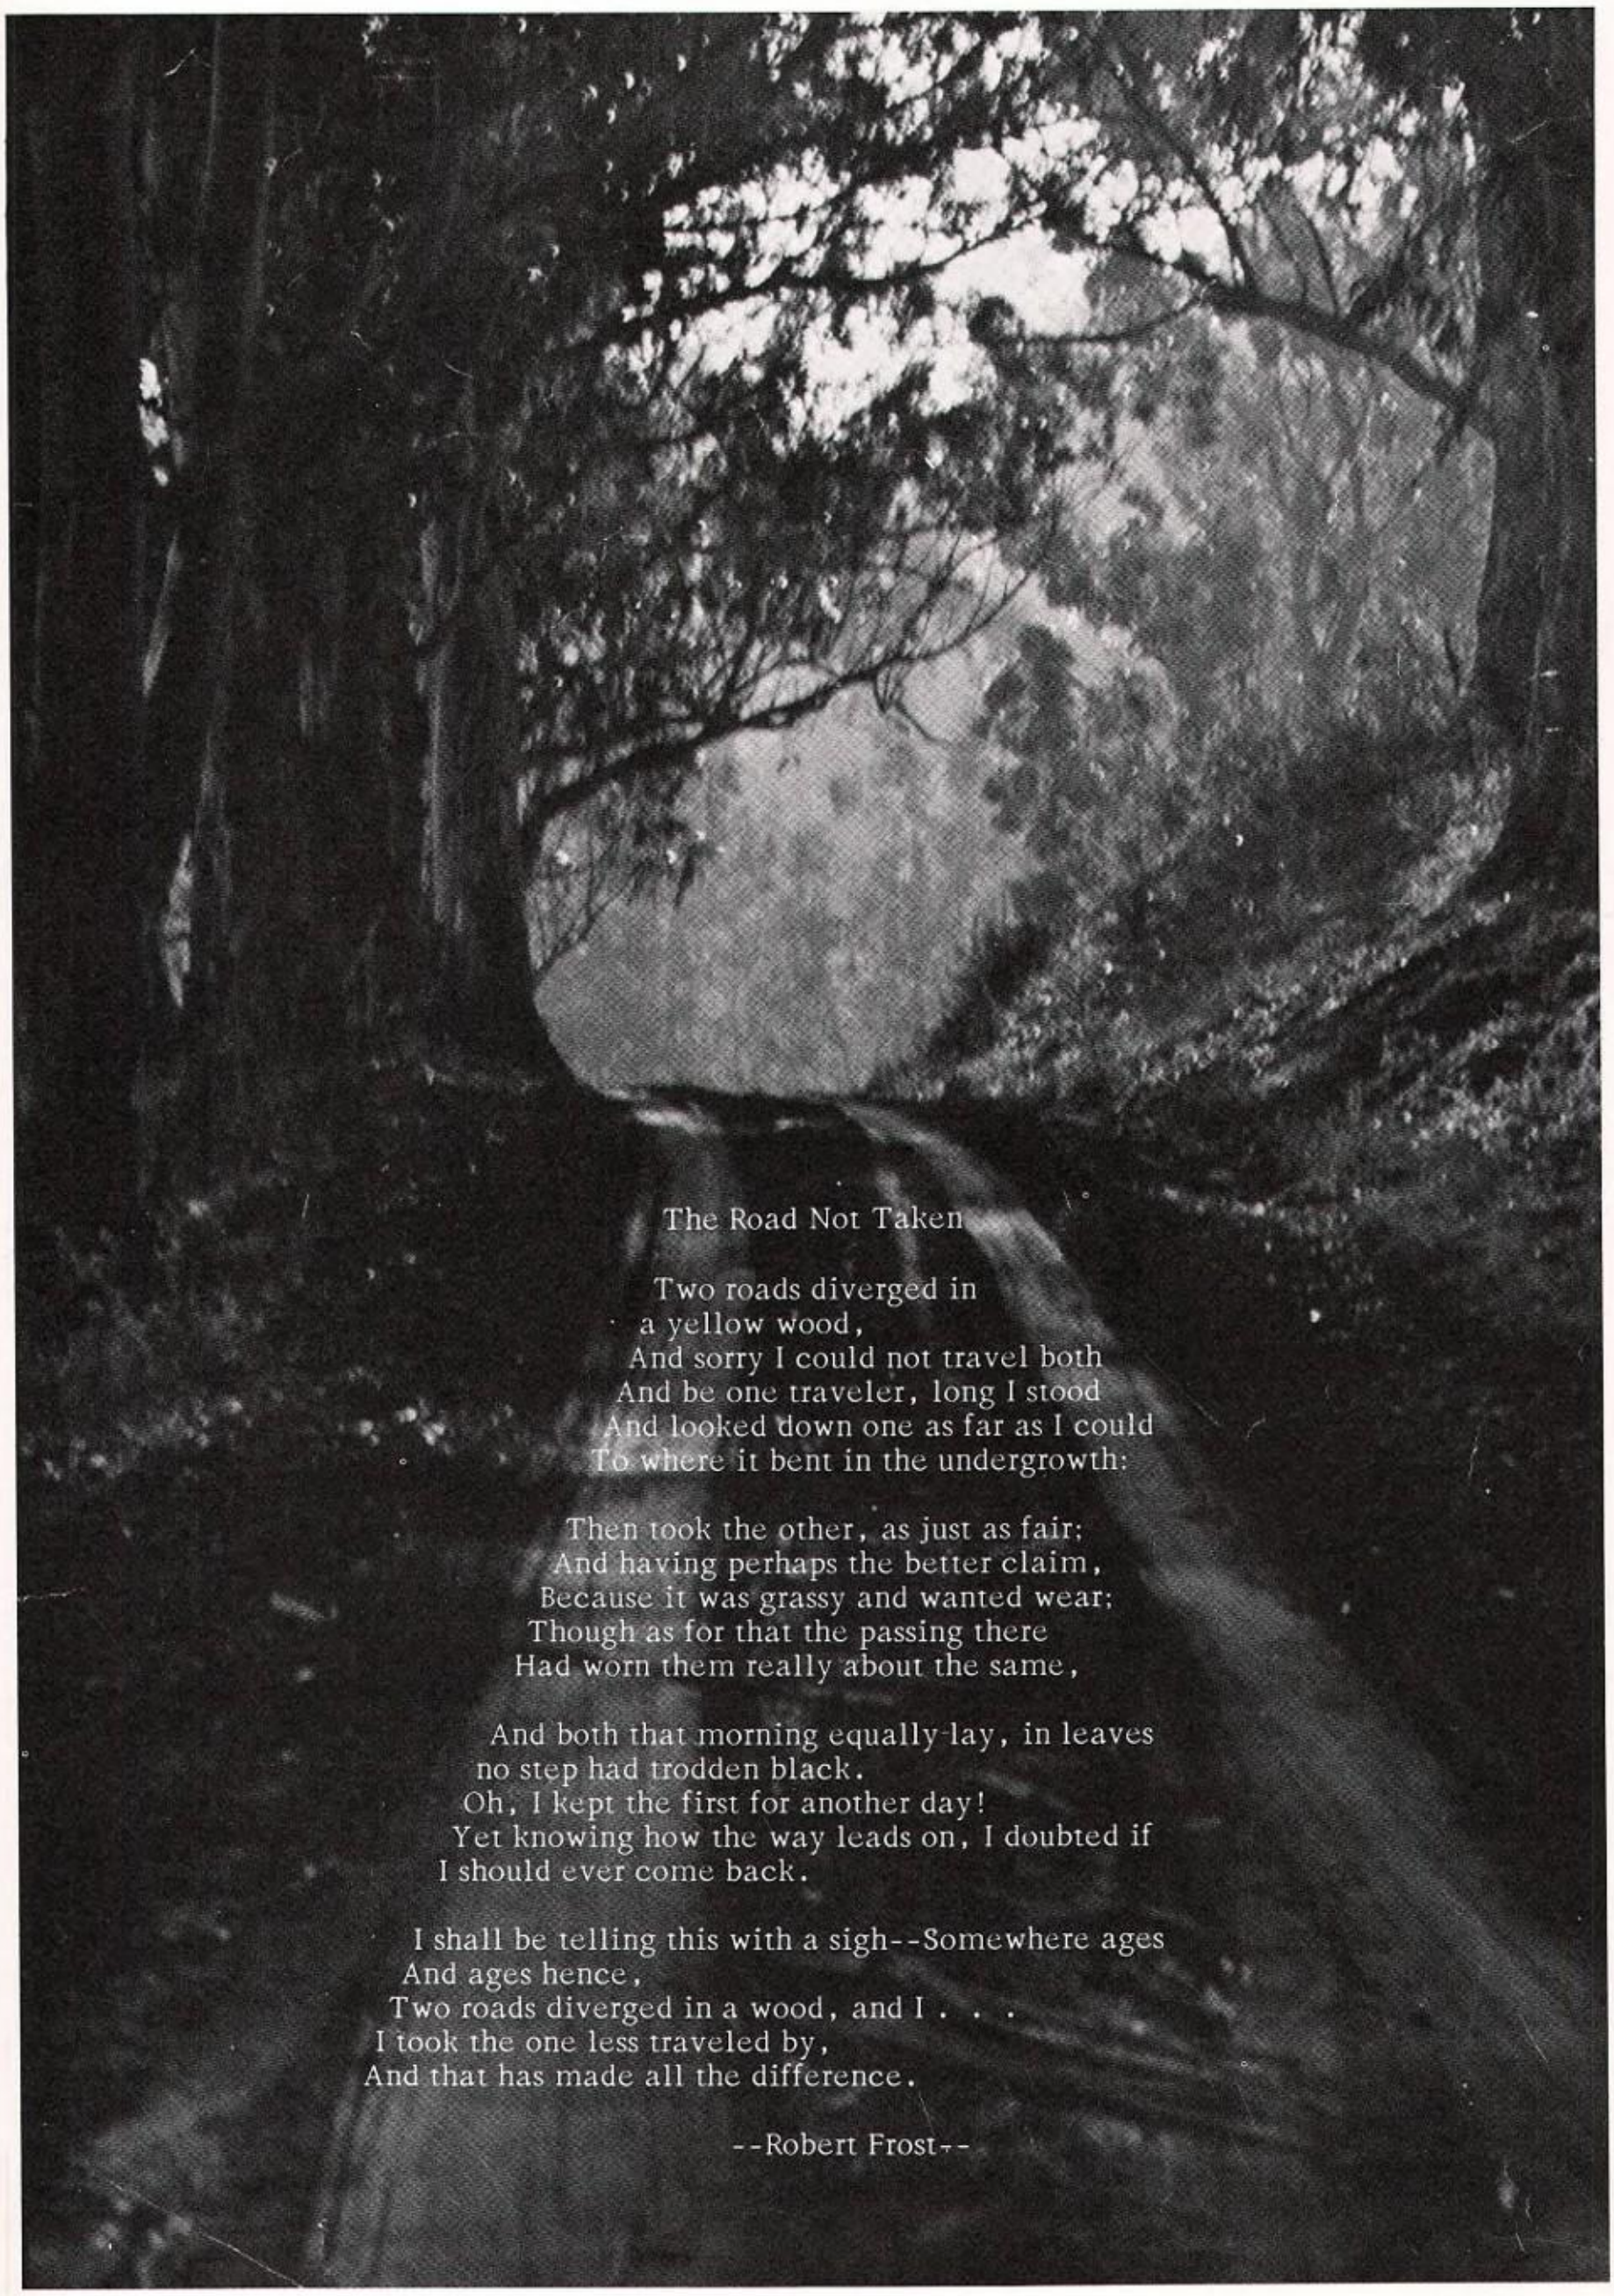
WANTED:
one small
reality . . .

In which to plant
all my dreams,
For I have hopes enough
to make them grow.



The Road Not Taken

Two roads diverged in
a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth:

Then took the other, as just as fair;
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay, in leaves
no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how the way leads on, I doubted if
I should ever come back.

I shall be telling this with a sigh--Somewhere ages
And ages hence,
Two roads diverged in a wood, and I . . .
I took the one less traveled by,
And that has made all the difference.

"THE MIND IS A GARDEN"

The Mind Is A Garden,
And Life's Sunny Morn
Is The Season For Planting;
The Rose And The Thorn
Will Grow Up Together;
Then Let Us Beware
That None But The Fairest
Of Roses Grow There.

"WIND"

O Wind,
Why Do You Never Rest,
Wandering,
Whistling To And Fro,
Bringing Rain Out
Of The West,
From The Dim
North Bringing Snow.

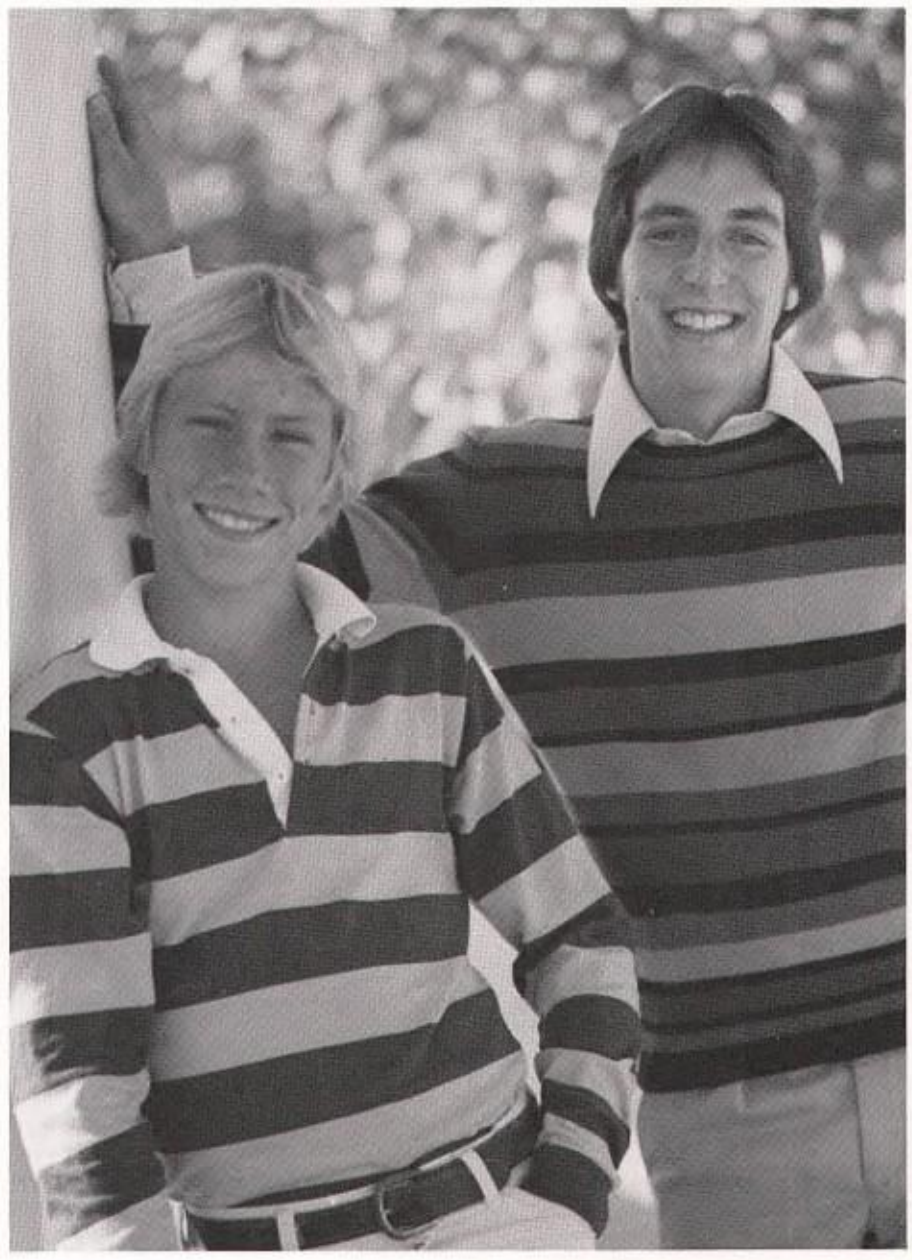
Sometimes I wake up ecstatic
Realizing that I am me
Different from everyone else
yet the same.
I look me
I think me
I feel me
But me alone is not complete
So I have joined with others.



A river is everchanging,
continuously moving--
combining past, present,
and future into a stream
of reality.

The Optimist Creed

PROMISE YOURSELF—

To be so strong that nothing can disturb your peace of mind.

To talk health, happiness and prosperity to every person you meet.

To make all your friends feel that there is something in them.

To look at the sunny side of everything and make your optimism come true.

To think only of the best, work only for the best, and to expect only the best.

To be just as enthusiastic about the success of others as you are about your own.

To forget the mistakes of the past and press on to the greater achievements of the future.

To wear a cheerful countenance at all times and give every living creature you meet a smile.

To give so much time to the improvement of yourself that you have no time to criticize others.

To be too large for worry, too noble for anger, too strong for fear and too happy to permit the presence of trouble.

Debe —
How fun it has been to have you to pick on in Bookkeeping. Really Sam, it has been a great year, and you have made it all that much better. You are a great person to have around, because you are always so happy. Except for being Jewish, you are an alright person to have —
Love to my favorite Debe —

ANDY BAUER

I'll Do The Best I Can

I shall only pass this way but once
I'll do the best I can,
By being a useful servant
To my fellowman.

When I'm called upon to do my part,
I will never say no,
Because I feel it is my duty
To help put over the show.

When the show is over,
After giving myself, I will know
It will make me feel so grand.

When God has blessed one with a talent,
Never hide it away —
Be generous by helping your fellowman —
Good will return to you some day.

I shall only pass this way but once
So I'll do the best I can
By leaving my footprints upon the sand
As a guiding path for my fellowman.

George Morrison, Sr.

Seldom in yearbooking do staff members and advisers feature the editor-in-chief with a surprise page--this one.

The loving and caring Roxanne Fie has given to each and every staff member, photographer and advisers will be evident in this book you hold in your hands. She has given many hours of her time, many sleepless nights worrying, many damaged brain cells getting this book "to bed." We think you will agree that her efforts have been fully rewarded.

Thanks, Roxanne, for being so good to us, telling us off when we needed it, giving a pat on the head when we deserved it, just being you. You, too, have left your footprints on the sands of time! Our love.

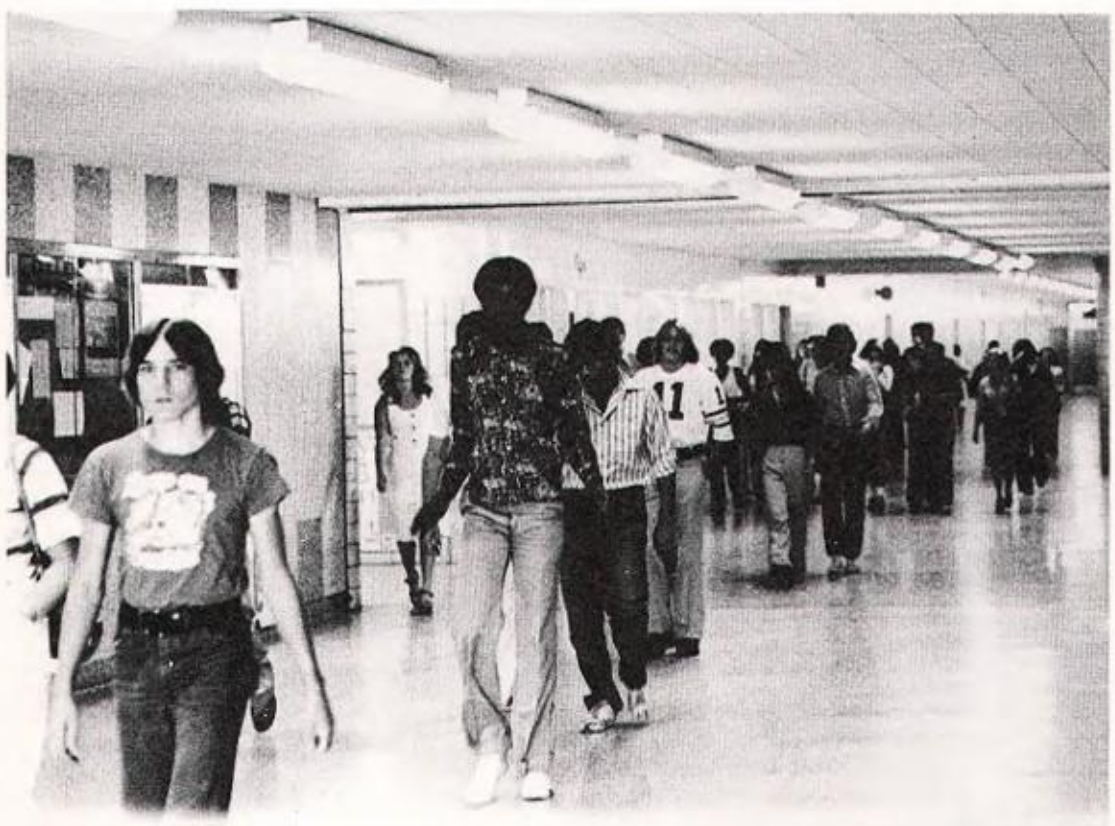
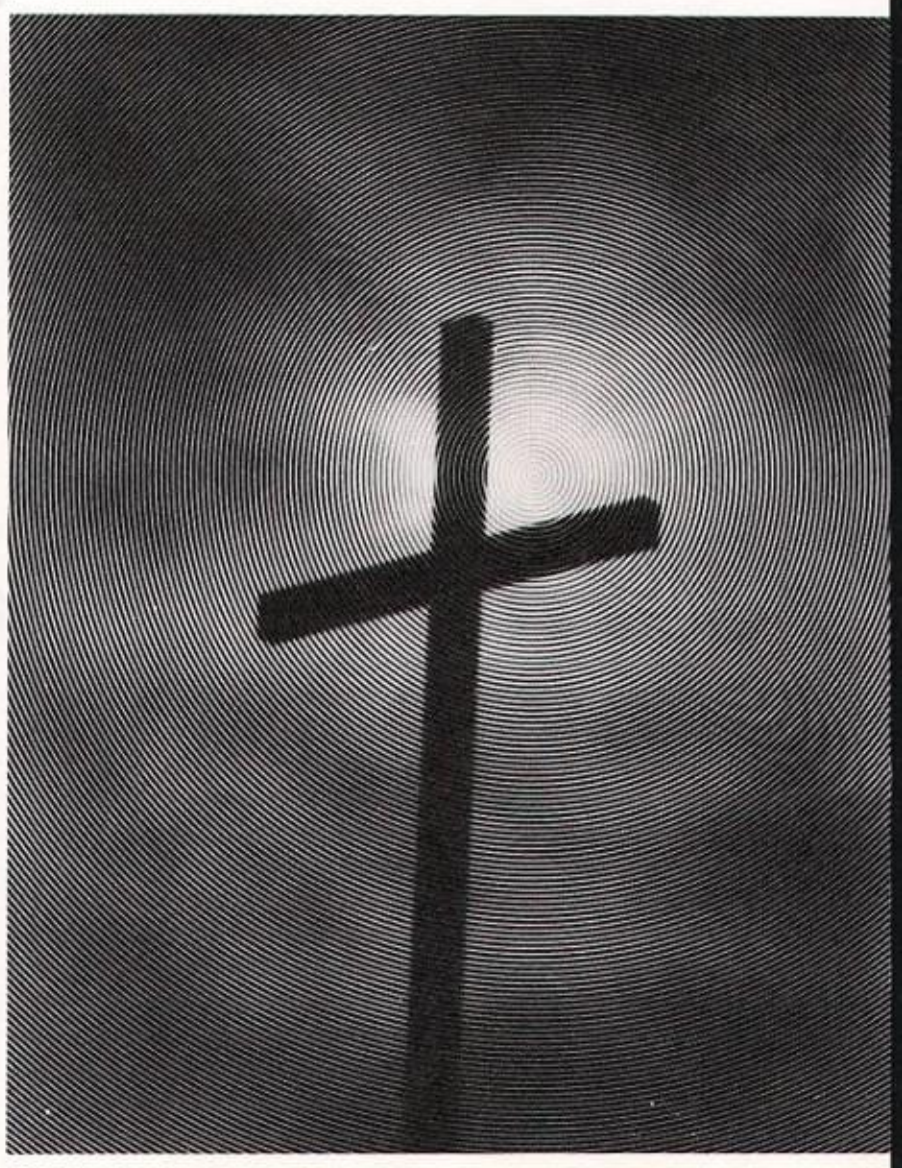
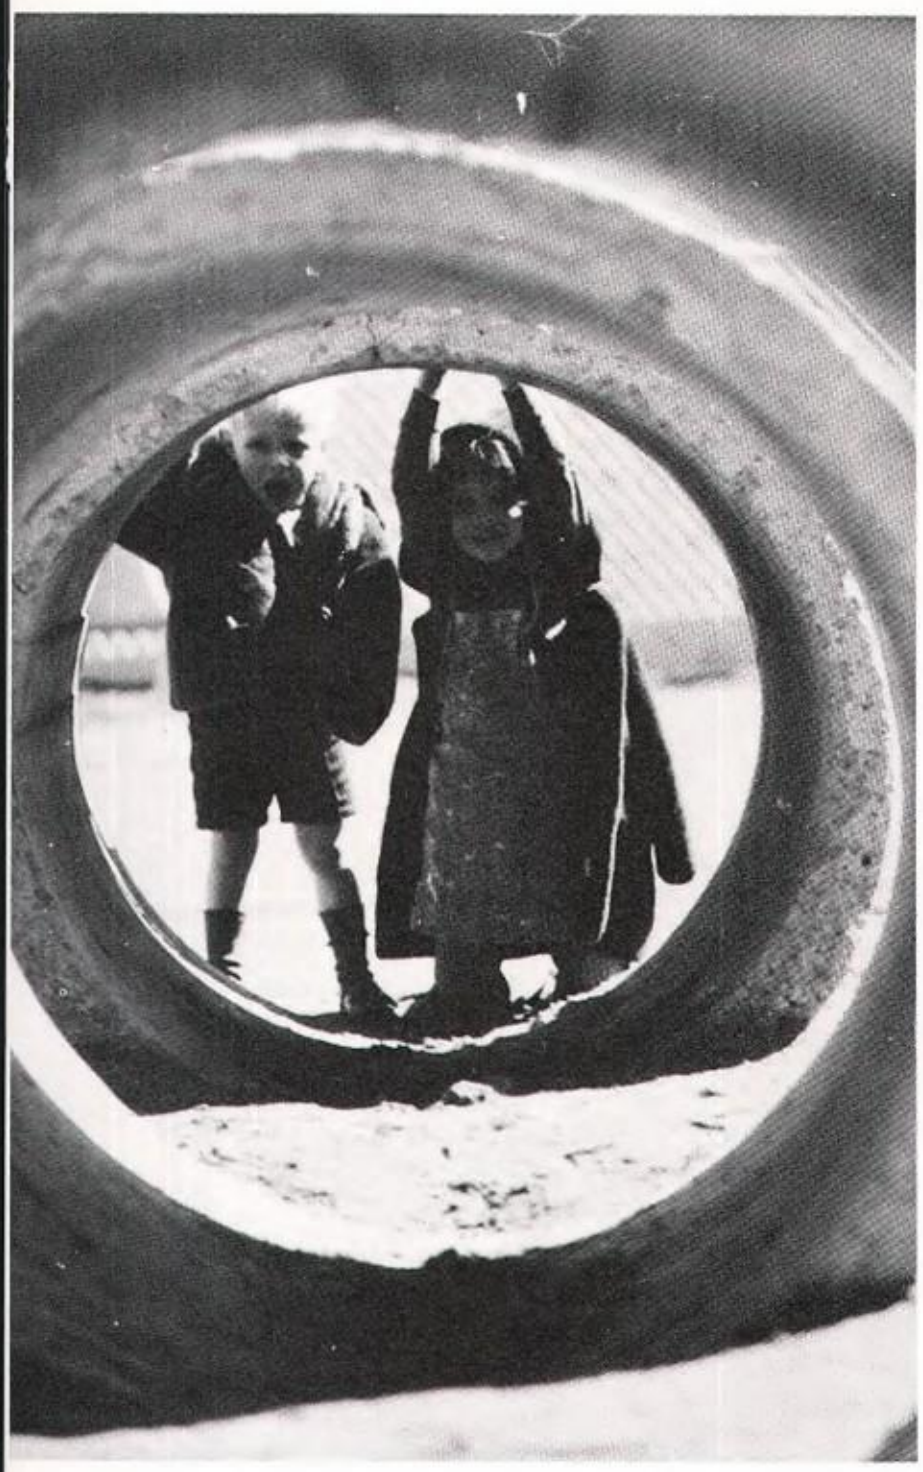
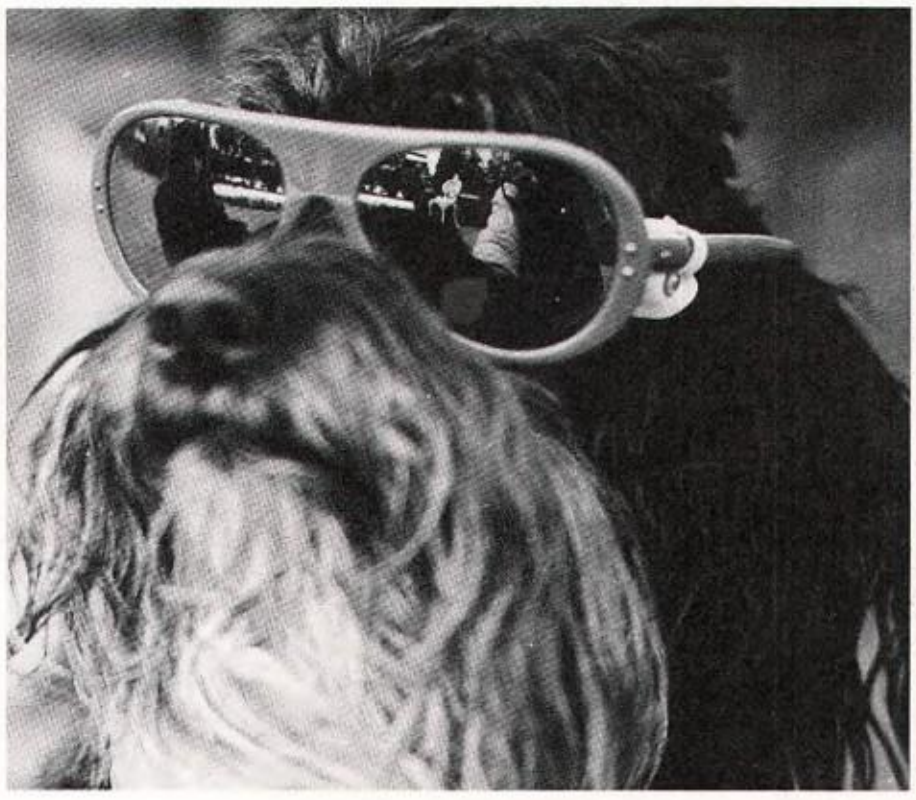
you, who are on the road,
must have a code,
That you can live by



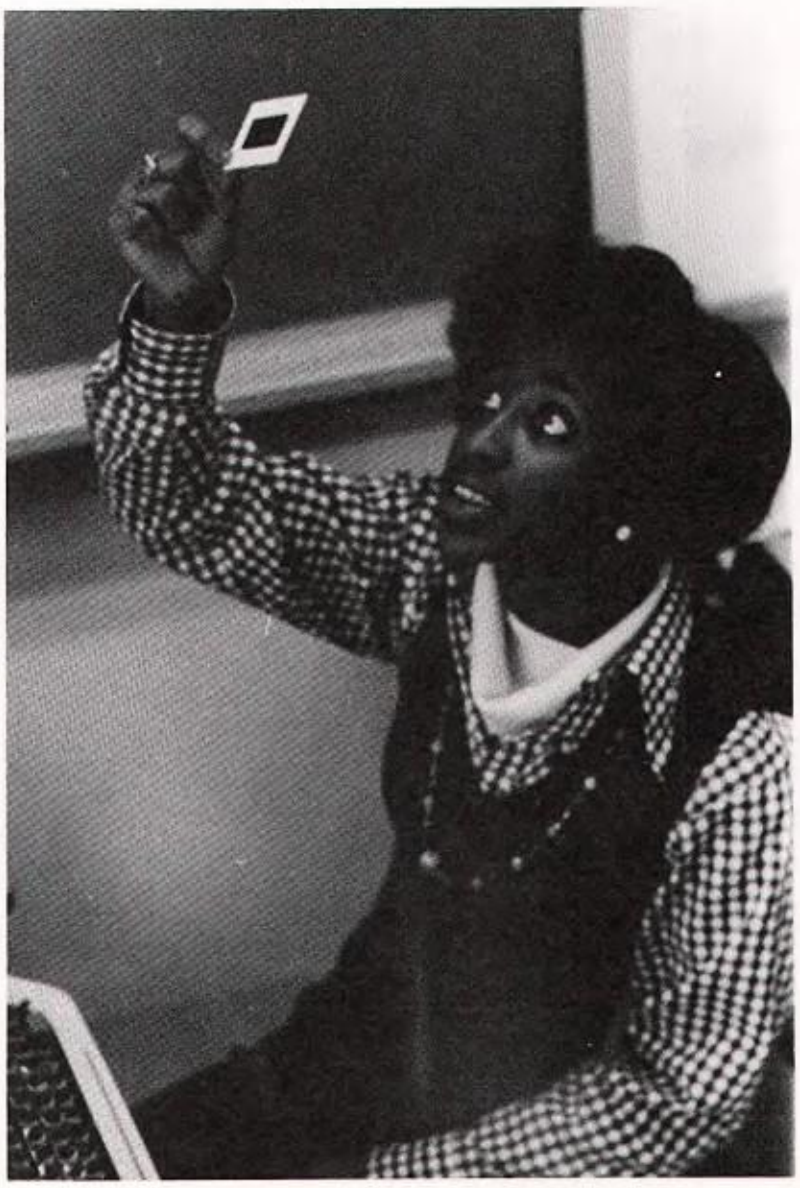


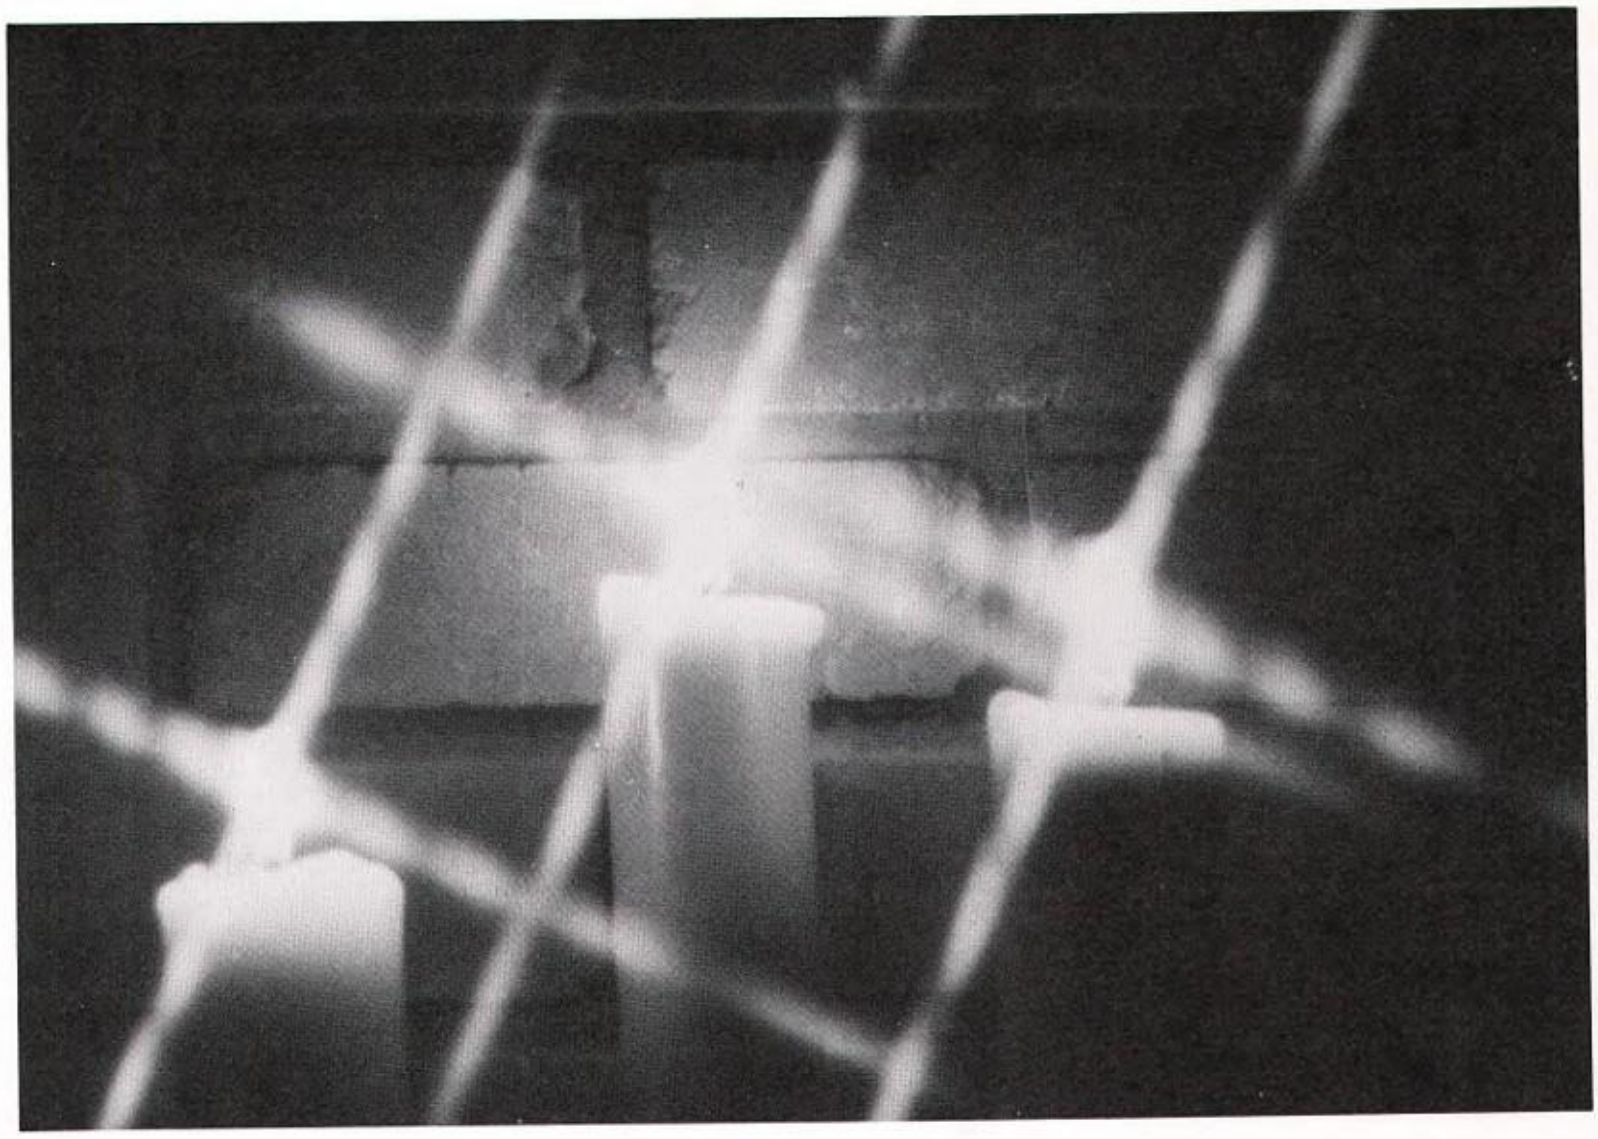


And so, become yourself,
Because the past
Is just a goodbye.

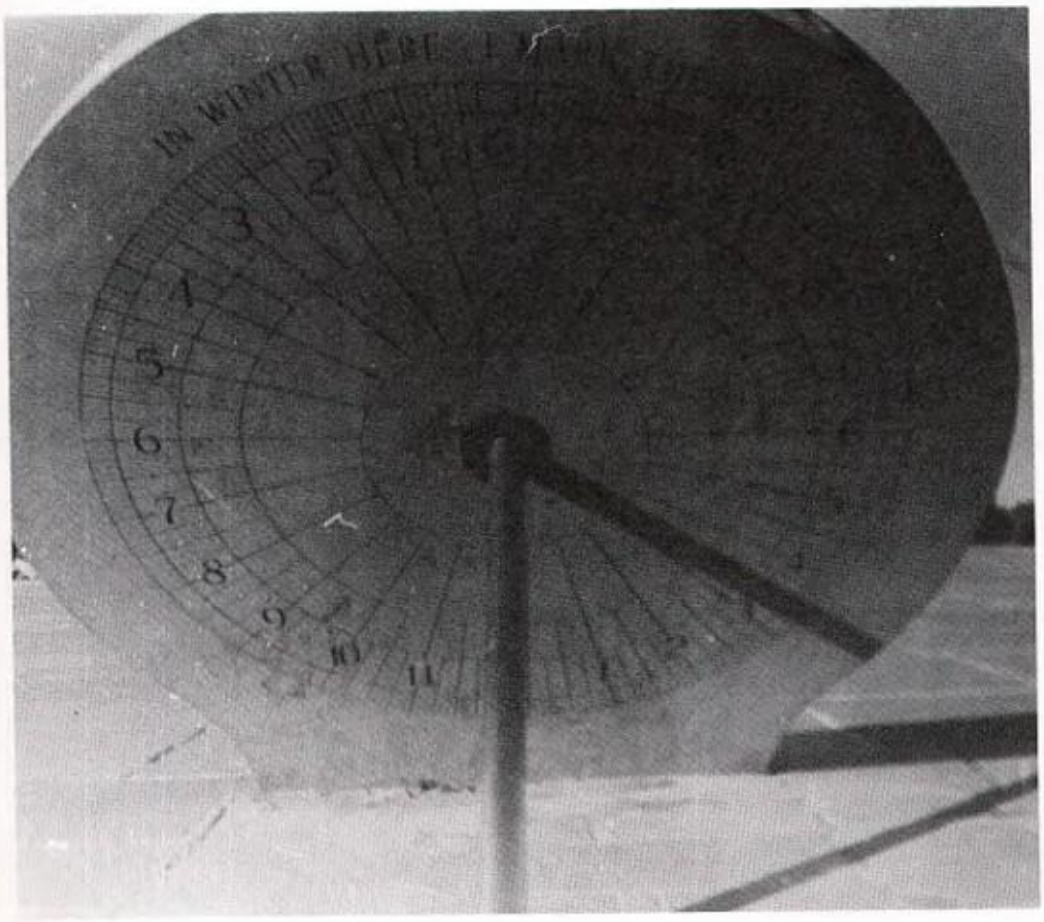


Teach your children well,
Their father's hell,
did slowly go by.

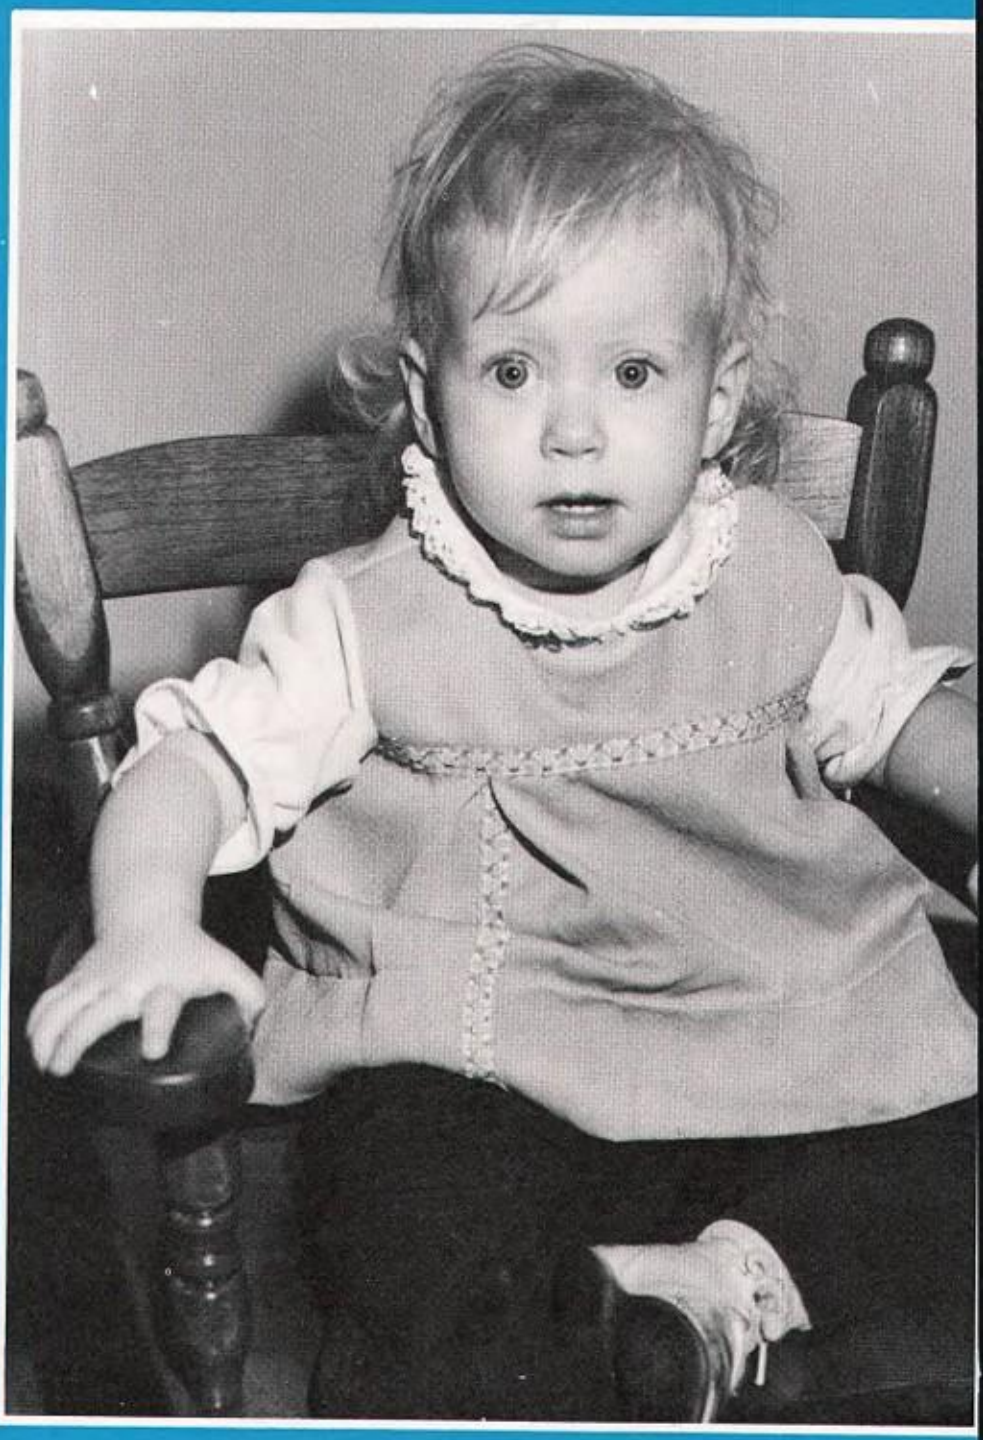


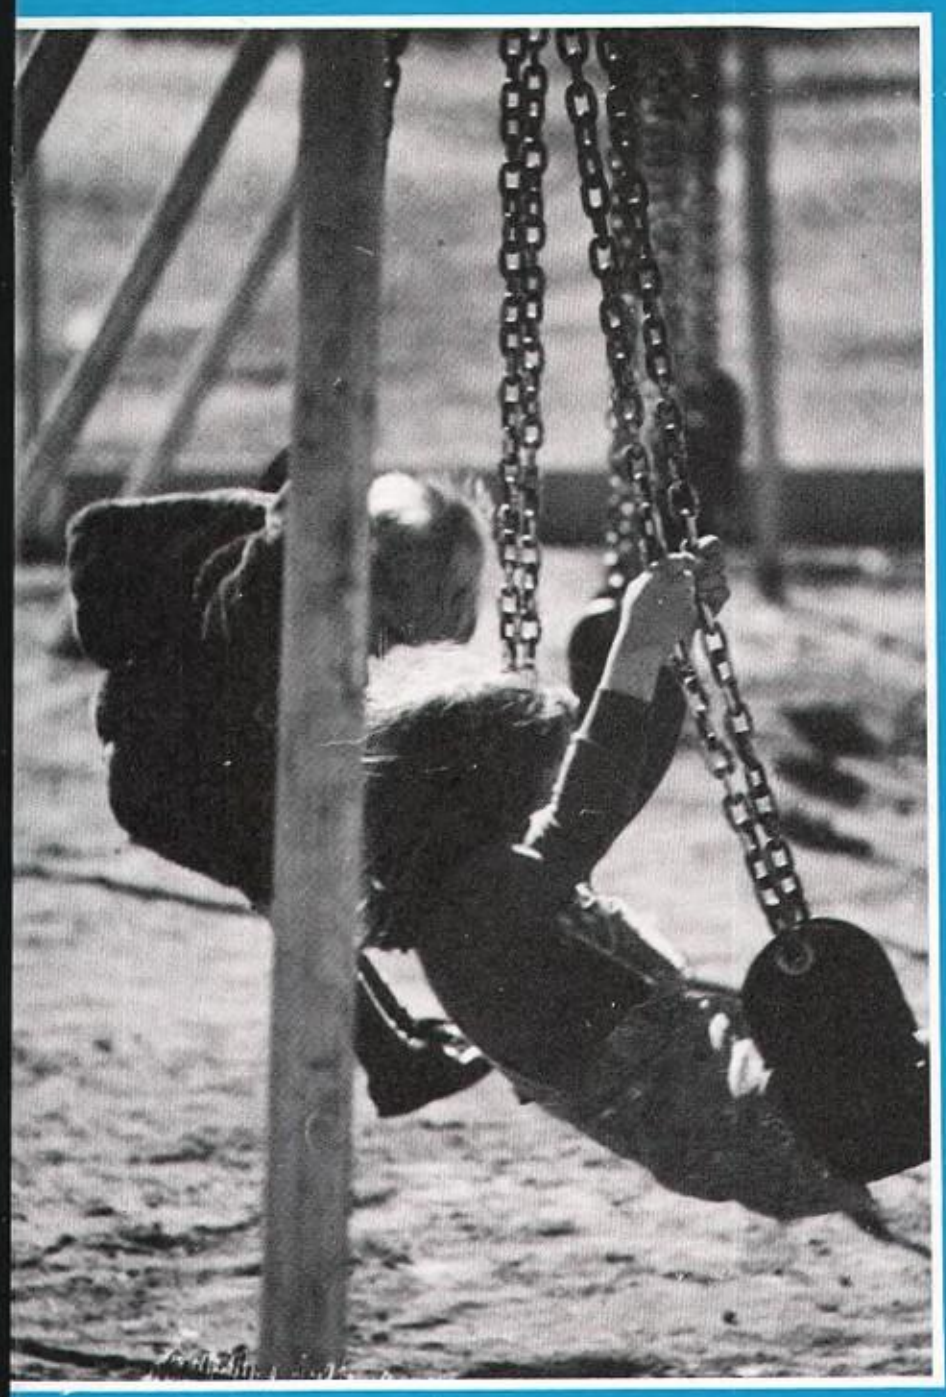


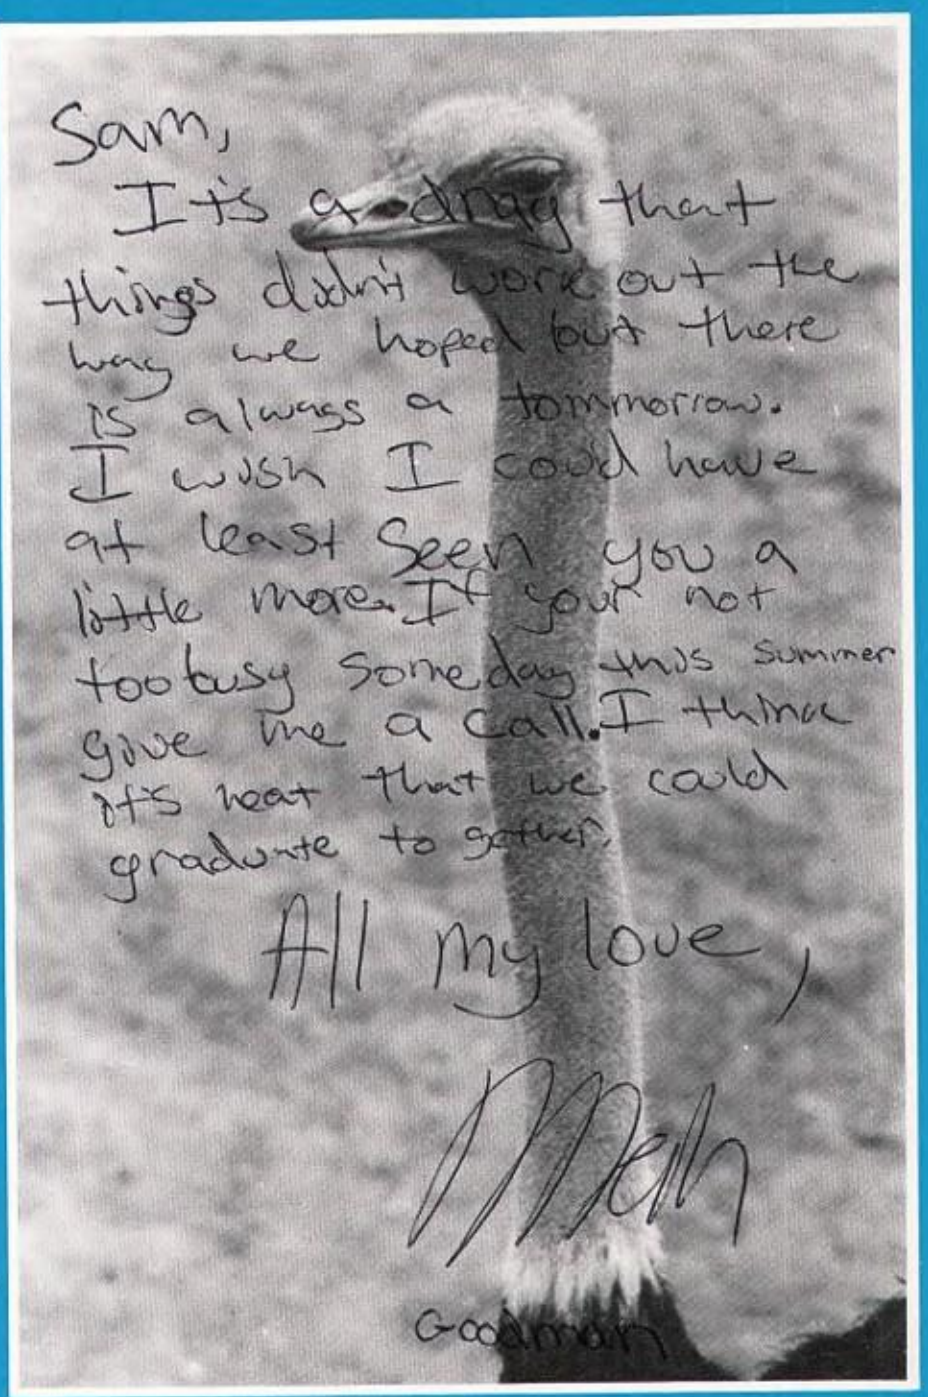
And feed them on
your dreams,
The one they pick's
the one you'll know by.



Don't you ever
ask them why,
If they told you,
you would cry,
So just look at
them and sigh,
And know they
love you.

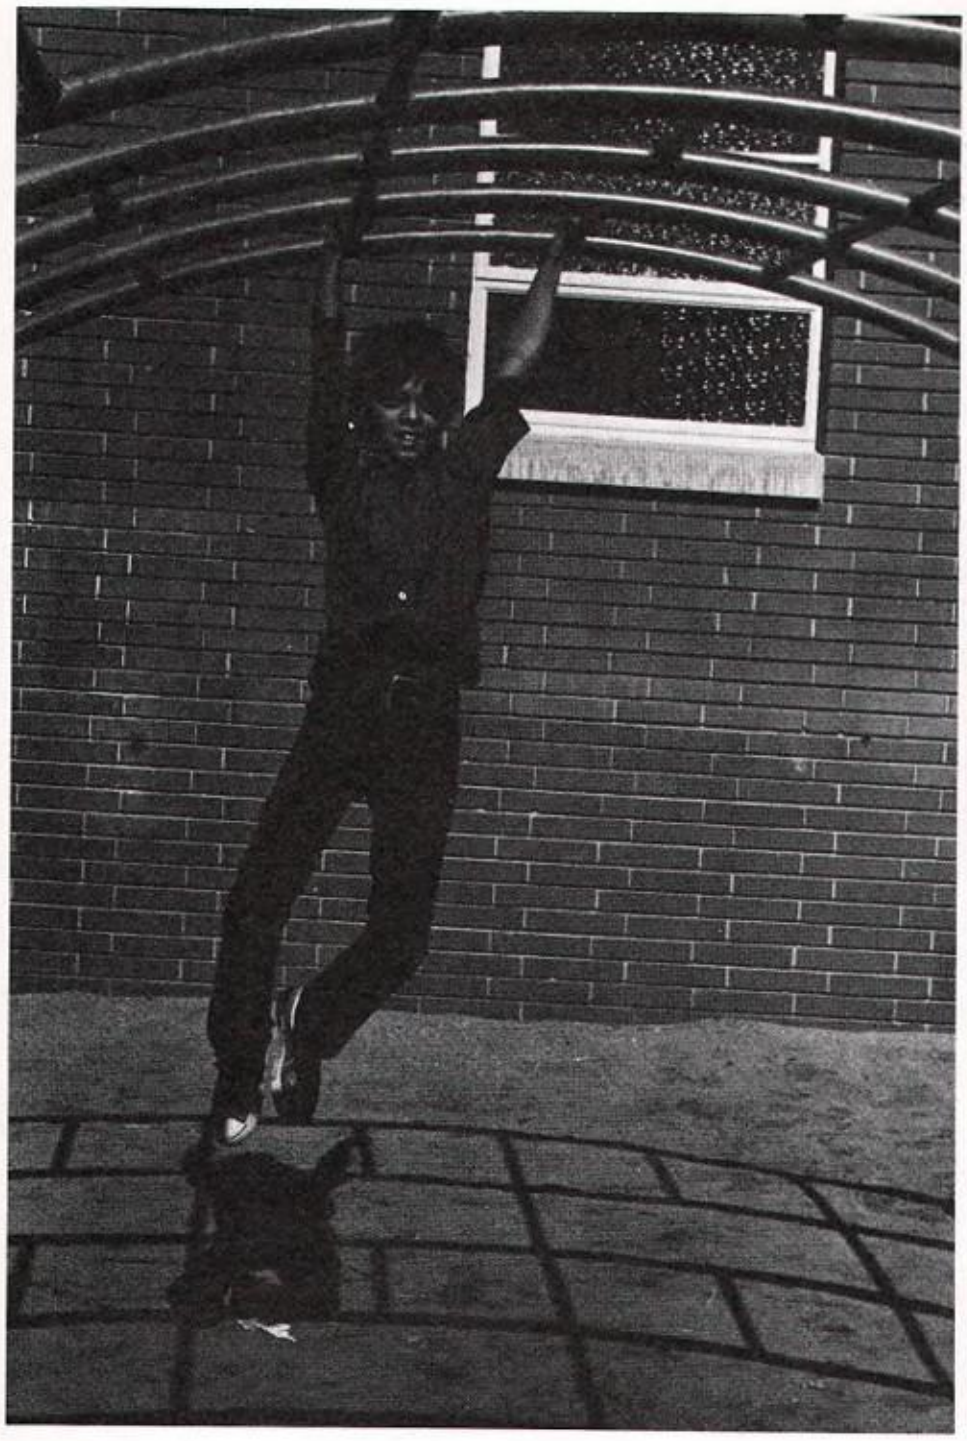






Sam,
It's a drag that
things didn't work out the
way we hoped but there
is always a tommorrow.
I wish I could have
at least seen you a
little more. If your not
too busy someday this summer
give me a call. I think
it's neat that we could
graduate together.
All my love,
Goodman

And you, of tender years
Can't know the years
That your elders grew by



And so please help
them when you're near

They seek the truth,
Before they
can die.

Sam,
I'm really glad we had swimming class together, you really livened up the class. You're a great person and I hope everything goes well with you in the future. Good luck always.

Love,
Colleen

A year is like an ocean tide—It rushes in; encompasses; surrounds. All too soon it rushes out, leaving no visible trace, only the memory lingering in our minds. As it leaves, it leaves us not at the end, but at the beginning. For each end is in itself a new beginning. Which way will the paths lead us? Where will the journey end?
